ROX Hi-Tech Limited Recognised as an SS&C Blue Prism WorkHQ Foundation Partner

Chennai, India – September 23, 2026: ROX Hi-Tech Limited (NSE: ROXHITECH), an AI-led digital transformation and enterprise technology solutions provider, has been formally recognised as an **SS&C Blue Prism WorkHQ Foundation Partner**.

The recognition reflects ROX's foundational product knowledge and growing capabilities around WorkHQ, SS&C Blue Prism's enterprise automation platform. WorkHQ brings people, AI agents, digital workers, application programming interfaces and enterprise systems together in a secure and governed environment, helping organisations coordinate and manage work across end-to-end processes.

ROX's position as a WorkHQ Foundation Partner enables the Company to deepen its expertise in intelligent and agentic automation while supporting enterprises in evaluating and adopting more connected automation models. This development further complements the Company's broader portfolio across artificial intelligence, automation, digital workplace, enterprise infrastructure, cloud computing, and cybersecurity.

The recognition also marks an important step in ROX's continued collaboration with global technology providers. By combining its enterprise delivery experience with the WorkHQ platform, the Company aims to help customers achieve greater visibility, governance and coordination across automation initiatives.

Management Commentary

Commenting on the achievement, **Mr. Jim Rakesh, Managing Director, ROX Hi-Tech Limited**, said:

“Being recognised as an SS&C Blue Prism WorkHQ Foundation Partner is an important step in strengthening our enterprise automation capabilities. Businesses today are looking beyond isolated automation and seeking secure, governed ways to connect people, systems, digital workers and AI agents. This recognition supports our efforts to build the right expertise around WorkHQ and help enterprises move towards more coordinated and scalable automation.”
