Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
RPG Life Sciences Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of RPG Life Sciences Limited (the "Company") for the quarter ended December 31, 2025 and year to date from April 1, 2025 to December 31, 2025 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 3(a) On January 2, 2025, a fire incident occurred at one of the manufacturing blocks of the API plant of the Company located at Plot No. 25/25A, MIDC Land, Thane-Belapur Road, Navi Mumbai – 400703, Maharashtra resulting in an impact on part of the Building, Plant & Machinery, inventories and other assets of the said manufacturing block. All the other manufacturing blocks on the site and buildings housing other departments viz. QC, QA, Engineering, Stores, R&D, etc. are unaffected and are functioning as usual. There was no casualty or loss of human life in this incident. The assets impacted due to the fire incident are adequately covered under an insurance policy. The Company has performed a comprehensive analysis of the estimated loss arising on account of the fire incident for majority of the assets impacted by the fire and accordingly submitted a provisional insurance claim for the estimated loss. Based on such final assessment and estimates of cost, the Company has recognised a cumulative loss of Rs. 2,295 lakhs till date (net of write back of loss of Rs 266 lakhs for the quarter ended December 31, 2025). The Insurance Company has acknowledged the claim and has so far released five tranches of interim payment aggregating Rs. 2,050 lakhs (Rs. 850 lakhs for the year ended March 31, 2025 and Rs. 1,200 lakhs for the quarter and six months ended September 30, 2025). The Company has netted off the payments received from the Insurance Company with loss assessed due to damage caused by fire and the same is reflected under exceptional items for the respective periods. The net loss stands at Rs. 245 lakhs as on December 31, 2025 and the Company is confident of recovering this loss from the insurance company in subsequent quarters. The final amount of the approved claim from the Insurance company will be determined based on finalisation of such claim, and additional net gain/loss, if any, would be accounted in subsequent quarters.
- 3(b) The Government of India notified the four Labour Codes (New Labour Codes) effective November 21, 2025. The Ministry of Labour & Employment has also issued draft Central Rules and FAQS to help assess the financial impact of these changes. The Company has assessed the estimated impact arising on account of the changes in the New Labour Codes especially due to the change in wage definition based on its best judgement in consultation with external experts. Accordingly, the Company has recognised incremental estimated obligations aggregating Rs. 1,108 Lakhs based on actuarial valuation in accordance with Ind AS 19 - 'Employee Benefits' and consistent with guidance provided by the Institute of Chartered Accountants of India. The incremental impact has been disclosed as an exceptional item given the non-recurring nature of this expense arising on account of a regulatory change. The Company is in the process of reassessing and implementing policy changes to its existing employee benefit policies. The Company continues to monitor the finalisation of Central and State Rules and clarifications from the Government on other aspects of the New Labour Codes and would provide appropriate accounting effect on the basis of such developments, if any, as required.
4. The Board of Directors of the Company, at its meeting held on December 15, 2025, approved the transfer of the API division ("the Division") of the Company, to its wholly owned subsidiary (WOS) viz. RPG Active Pharma Limited, which was subsequently incorporated on December 24, 2025. The proposed transfer is intended to streamline the business structure and improve operational focus. The Company expects the transaction to be concluded by February 2026 or such other date as may be mutually agreed between the parties, subject to receipt of the requisite approvals and completion of customary conditions precedent. The subsidiary has commenced business subsequent to the quarter end on January 6, 2026 and also submitted a declaration of commencement of business to the Ministry of Corporate Affairs on such date. The transaction represents an internal reorganization of businesses under common control, as the Company will continue to hold 100% equity interest and retain control over the subsidiary subsequent to the transfer.
