skilled and un skilled resources to complete the project on time. The Value of the phase 1 is estimated at INR 225 Crs other phases are to follow subsequently.

The Government of Gabon has additionally offered R.P.P Infra various Incentives such as TAX SOPs , duty free import of Machinery, Tools, Construction materials and plant.

Currently RPP is currently developing an integrated township project for NTECL (A NTPC & TNEB Joint venture) in Vallur, Northern Chennai.

As on 28 Feb 2011, Order book on hand is around INR 2225 Crs to be executed over 36 months.

Commenting on this project, Mr. Arul Sundaram, Chairman and Managing Director of RPP Infra Projects Limited said that "We are happy that from a small town in Tamil Nadu we were able to win a multi million euro deal internationally. R.P.P Infra's vast experience , strong expertise in Urban development and on timely execution has been our key to winning this deal.

R.P.P Infra has proposed a comprehensive, Cost effective approach plan enabling Gabonese Government to construct more dwellings with limited resources. As the demand for Quality housing in Gabon is very high and is increasing with time, this initiative will be immensely welcomed by the people of Gabon. R.P.P Infra would deploy a combination of domestic and international resources to complete the project on time. We are confident to attract more such high value projects in Gabon or other neighboring African countries by leveraging our capabilities."
