## RPP Infra Projects Ltd

**RPP Infra Projects Ltd signs definitive agreement with one of the largest China's State Government Owned Company – HUNAN Construction Engineering Group Corporation for Infrastructure Projects in India.**

We are very pleased to inform our shareholders that their company has formed joint venture with China's largest state government owned company for doing infrastructure projects in India. HUNAN Construction Engineering Group Corporation is a largest state owned enterprise that has developed comprehensive capabilities of building & installation, road & bridge construction, survey & design, scientific research, equipment manufacturing & real estate development. While RPP Infra Projects Ltd is engaged in business of infrastructure development such as highway, roads, bridges, civil construction works, irrigation & water supply & power plant projects in our country.

HUNAN & RPP Infra Projects Ltd hereby associates them in to a joint venture to act in collaboration with each other under the name & style of HUNAN – RPP Joint Venture. HUNAN will act as a lead partner of the joint venture to make all necessary statement on behalf of joint venture. Performance guarantees, advance guarantees or any such other bonds, securities shall be provided by the lead member of the joint venture.

Mr. Arul Sundaram – Chairman & Managing Director of RPP Infra Projects Ltd said – This is the game changing development for RPP Infra Projects Ltd to work with one of the largest Chinese Infra Company in India to create better valuation for RPP Infra Projects Ltd Shareholders. The idea behind to establish joint venture is to capture big size orders and profitable business in infrastructure area in fastest growing emerging markets like India. The joint venture will also provide strength & opportunity to RPP Infra Projects Ltd to negotiate better profitable terms with parties. RPP Infra Projects Ltd currently has a very strong foothold in mid size orders in southern state and with this joint venture with HUNAN it will start bidding big size orders with HUNAN expertise.

**About HUNAN :** HNCEG is a large state – owned enterprise that has developed comprehensive capabilities of building & installation, road & bridge construction, survey & design, scientific research, personnel training, advanced professional education, equipment manufacturing, and real estate development. In addition, HNCEG has gained special permits for general contract of overseas business, labor cooperation and import & export trade business. HNCEG has more than 218000 employees, who are technical personnel of various specialties. HNCEG is a large enterprise with assets of RMB 6 Billion & a production capacity of over RMB 60 Billion. It figured consecutively among the front rank of the top 500 enterprises in China for 11 years, and the top 60 of Chinese Contractor and Construction Designer for 10 Years. HNCEG has set up its branches or offices in autonomous districts or cities in China except Taiwan, Hongkong and Macao. Presently, HNCEG has established projects in more than 30 countries, such as Liberia, Tanzania, UAE, Nigeria, Saudi Arabia, Australia, Mongolia and so on.
