The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and disclosed the incremental impact of these changes on the basis the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company presented such incremental impact as Statutory impact of new Labour Codes under Exceptional Items in the financial result for the quarter and period ended 31 December 2025. The incremental impact consisting of gratuity of Rs. 242.14 lakhs and long-term compensated absences of Rs. 86.49 lakhs primarily arises due to change in wage definition. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.
