Dear Sirs / Madam,

**Sub: Delay in submission of financial results as per Regulation 30 of SEBI(LODR) Regulations, 2015**

We refer to the Exchange e-mail dated January 22, 2026, on the subject matter.

In this context we would submit that on 21<sup>st</sup> January 2026 immediately after the Board Meeting was completed we tried to upload the company's letter containing the Outcome of Board Meeting held on 21<sup>st</sup> January 2026 and the Financial Results for the period ending 31<sup>st</sup> December 2025 along with the signed Auditor's Reports on Standalone & Consolidated Financials for the aforesaid period in machine readable pdf form with NSE NEAPS Portal under the Company's page, but after submission of the aforesaid documents the NSE NEAPS system rejected our submission with a note that '**An exception has occurred while processing the request, please contact the administrator for more details**'. We tried to submit the aforesaid documents with NSE NEAP Portal continuously several times, but each time our submission was rejected with the aforesaid note by NSE NEAPS Portal. We then wrote an e-mail to NSE NEAPS and [takeover@nse.co.in](mailto:takeover@nse.co.in) (copy enclosed), well within the stipulated timeline of 30 minutes after completion of the Board Meeting, explaining the aforesaid issue.

In the meantime, we submitted the company's letter containing the Outcome of the Board Meeting along with Financial Results & Auditor's Reports for the period ending 31<sup>st</sup> December 2025 by way of an email to NSE NEAPS to ensure compliance (Copy of mail enclosed).

We waited sometimes and tried again to submit the aforesaid pdf documents and after a few more trials suddenly, we got the documents submitted with NEAPS Portal successfully, but that time the stipulated timeline for submission within 30 minutes from the completion of Borad Meeting exceeded.

Considering the situation and circumstances, we humbly request you not to treat this as a non-compliance on the company's part under Regulation 30 of SEBI (LODR) Regulations 2015, as we time and again tried to submit the prescribed reports & documents within the stipulated timeline but unfortunately without any defaults on the company's part the NSE NEAPS system rejected our submissions during a long period of time and in that situation also we continued our efforts and finally succeeded to submit the aforesaid reports & documents with NSE NEAPS, but in the delayed time. Immediately after our submission we intimated NSE through e-mail condoning our inadvertent delay.

We solicit your favorable consideration in this matter by condoning the inadvertent delay.

Yours faithfully,
