Order Updates

Rulka Electricals Ltd.

Commenting on the results, **Mr. Nitin Indrakumar Aher**, Whole Time Director of Rulka Electricals Limited stated,

“The Company is delighted to report strong order inflows from our repeat customers, totalling ₹5.04 crore, reflecting sustained business momentum and the deep trust our clients continue to place in our capabilities. These new orders across the Retail and Warehouse segments further strengthen our order book and reinforce our leadership in delivering high-quality electrical and fire-safety solutions.

Our growing presence in key locations—**Andhra Pradesh (Chilakaluripeta), Maharashtra (Pune and Bhiwandi), and Karnataka (Bangalore and Dobaspet)**—demonstrates our expanding geographical reach and the success of our client-centric approach. Repeat orders from established clients highlight our reliable project execution and consistent performance across diverse environments. **We view the upcoming execution period of 1 to 6 months as an opportunity to showcase our operational excellence, ensure timely deliveries, and convert these orders into strong revenue contributions.** Our teams are fully prepared with robust planning, efficient resource mobilization, and a firm commitment to the highest safety and quality standards.

Despite the usual project-related challenges, the Company remains optimistic. Our strong vendor partnerships, experienced technical workforce, and proactive execution strategies position us well to deliver all projects smoothly and exceed client expectations.

We believe these developments mark another positive step in our growth journey, further strengthening our market position.”

Rulka Electricals Ltd.

About Rulka Electricals Limited:

REL is a trusted competency in the fire-fighting vertical, holding a Class A License from the Directorate of Maharashtra Fire Service to act as a License Agency for Fire Prevention and Life Safety Measures. We provide Operations and Maintenance (O&M) services specifically tailored for electrical and fire-fighting systems, which includes routine inspections, preventive maintenance, prompt issue resolution, and emergency response.
