Rulka Electricals Limited wins two new orders totaling Rs. 10.53 crore in Bangalore and Pune.

- Awarded by an MNC realty client, the mandate includes Electrical, Fire Detection, Lighting Protection Systems, and CCTV Works
- The projects are expected to translate into revenues in the next three quarters
- The total order book of the company as of date stood at Rs. 65 crore.

Mumbai, 13 January 2024: Rulka Electricals Limited (REL or "The Company") ([NSE - SME: RULKA](#)), a leading provider of integrated electrical and firefighting services, today announced winning new work orders totalling Rs. 10.53 Crore from an MNC realty client. The work orders comprise the execution of Electrical Infra Electrical Works, including HT, LT, Ancillary, Fire Detection, Lighting Protection Systems, and CCTV Works across two project locations in Bangalore and Pune. The new work orders are expected to translate into revenues in the next three quarters. The company's total order book currently stands at Rs. 65 crore.

Commenting on the new order wins, **Mr. Nitin Aher, Wholetime Director, Rulka Electricals Limited**, said: *"We are elated to continue our momentum in winning new clients and building a robust order book. At the same time, we are focused on ensuring timely completion of the projects – riding on a highly trained team backed by demonstrated execution expertise. After our IPO, our order pipeline has remained promising, and the recent order wins in Bangalore and Pune further cement our confidence to emerge as a pan-India player in this nice segment in the future."*

The company's Bangalore mandate is worth Rs. 6.34 crore and will comprise Electrical, Fire Detection, Lighting Protection Systems, and CCTV Works for blocks B & C and Infra Works for the common area in a 60-acre (Phase-1) project. The Pune mandate is worth Rs. 4.19 crore for a project spread over 56 acres(Phase-1) – comprising the need for Infra Electrical Works, including HT, LT, Ancillary, and Lighting Protection Systems for Common Infrastructure.

Headquartered in Mumbai, Rulka Electricals Limited provides a wide range of electrical services across India, including electrical panel installations, firefighting systems, solar EPC contracts, and turnkey electrical warehousing projects. The Company also specialises in maintenance services and data & voice cabling and is known for its electrical and firefighting contracting services on projects of various scales. REL serves a diverse clientele in the industrial, commercial, retail, warehousing, and entertainment sectors. The company went public in May 2024 and is listed on the NSE Emerge platform.
