Rulka Electricals Ltd. wins new orders totalling Rs. 2.01 crore in Maharashtra, Goa and Haryana.

- Awarded by MNC & Indian clients, the mandates include Electrical, Fire Detection, and Plumbing works.
- The total order book of the company as of date stood at Rs.67 crore.

Mumbai, 21 January 2024: Rulka Electricals Limited (REL or "The Company") ([NSE - SME: RULKA](#)), a leading provider of integrated electrical and firefighting services, today announced winning new work orders totalling Rs. 2.01 Crore from an MNC realty client. The work orders comprise the execution of Electrical Works, including Fire Detection and Plumbing Works, across five project locations in Maharashtra, Goa & Haryana. The company's total order book now stands at Rs. 67 crore.

Commenting on the new order wins, **Mr. Nitin Aher, Wholetime Director, Rulka Electricals Limited**, said: *"Most of our recent projects have been awarded by existing clients, reflecting our team's capability to deliver on expectations within due timelines & Best Quality. Over the past year, we have expanded our focus on electrical and fire-detection projects, which, although smaller in order size, offer better margins. Our holistic range of services enables us to build long-term relationships with large clients. Given a healthy order book, we remain confident of the quality of growth going forward."*

The company's mandate in Maharashtra is worth Rs. 1.76 crore and will include Electrical, Fire Detection, and Plumbing Works. The mandate in Goa is worth Rs. 2.97 lakh and will consist of Fire Detection Works (existing work). The mandate in Haryana is worth Rs. 20.59 lakh and will consist of Electrical Works.

Earlier this month, the company announced new orders worth Rs. 10.52 crore from another MNC realty client for the execution of Electrical Infra Electrical Works, including HT, LT, Ancillary, Fire Detection, Lighting Protection Systems, and CCTV Works across two project locations in Bangalore and Pune.

Headquartered in Mumbai, Rulka Electricals Limited provides a wide range of electrical services across India, including electrical panel installations, firefighting systems, solar EPC contracts, and turnkey electrical warehousing projects. The Company also specialises in maintenance services and data & voice cabling and is known for its electrical and firefighting contracting services on projects of various scales. REL serves a diverse clientele in the industrial, commercial, retail, warehousing, and entertainment sectors. The company went public in May 2024 and is listed on the NSE Emerge platform.
