## Rulka Electricals Ltd. Secures 21 New Work Orders totalling Rs 12.36 Crore in March 2025

- Total order book reached Rs 86 crore, reflecting strong growth across sectors
- Secures major orders for electrical, firefighting, and IT work across India
- Listed on NSE SME in May 2024, raising Rs 25 crore through IPO.

**Mumbai, 24 March 2025:** Rulka Electricals Limited (REL or "The Company"), a leading provider of integrated electrical and firefighting services, has announced has announced new confirmed orders totalling Rs 12,36,28,856 across various projects. These orders include contracts for electrical works, firefighting systems, IT infrastructure, and CCTV installations across Maharashtra, Andhra Pradesh, Telangana, and Gujarat.

With these new orders, the Company's total order book stands at Rs 86 crore, marking a significant milestone in Rulka Electricals Ltd. expansion in the Electrical and Fire services sector. The projects range from warehouse developments to Industrial and retail installations and will be executed over a period of 4 to 12 months.

**Mr. Nitin Aher, Wholetime Director of Rulka Electricals Ltd., said:** *"Securing these new orders is a testament to our sustained efforts in delivering excellence across all projects. Our unwavering focus on quality and timely execution continues to resonate with clients, reflecting their trust in us. These orders not only showcase our expanding portfolio but also reinforce our position as a key player in India's infrastructure and electrical services landscape. As India's growth story unfolds, we are expanding our horizons to meet the increasing demand for reliable, high-quality electrical and firefighting solutions. We remain dedicated to further strengthening our market position and continuing our growth trajectory by consistently exceeding client expectations. We believe these new contracts will significantly boost our market presence and serve as a catalyst for our long-term success."*

The confirmed orders reflect Rulka Electricals Limited's strong momentum in the industry. With an increasing number of infrastructure projects, particularly in warehousing, logistics, and retail, the company is well-positioned to capitalize on future growth opportunities. The management team has also indicated that the company will continue to explore opportunities in emerging sectors, including renewable energy, smart building technology, and industrial automation, aligning with India's broader economic growth and development goals.

Some of the key projects include:

- Electrical and DG work in Bhiwandi, Maharashtra
- Firefighting work in Vijaywada, Andhra Pradesh
- IT infrastructure and electrical work in Taloja, Maharashtra and Hyderabad Telangana.
- Firefighting and electrical work in Bhopal, Madhya Pradesh and Sahapur, Maharashtra.
- Large-scale Electrical Project in Bhiwandi

These new orders follow the successful completion of REL's Initial Public Offering (IPO) in May 2024, through which the Company raised Rs 25 crore, strengthening its financial position and

further establishing its market presence.

Headquartered in Mumbai, Rulka Electricals Limited provides a wide range of electrical services across India, including electrical panel installations, firefighting systems, solar EPC contracts, and turnkey electrical warehousing projects. The Company also specializes in maintenance services, data & voice cabling, and is known for its electrical and firefighting contracting services on projects of various scales. REL serves a diverse clientele in sectors such as industrial, commercial, retail, warehousing, and entertainment.
