McDonald's India opens a new restaurant at Metro-Linked Irrum Manzil hub in Hyderabad

Hyderabad, 30th March 2026: Westlife Foodworld, which owns and operates McDonald's restaurants across West and South India, has announced the opening of a new McDonald's restaurant at L&T Next Premia Mall, Irrum Manzil.

The launch is part of Westlife's ongoing strategy to expand in high-growth urban corridors and leverage transit-linked consumption opportunities. The restaurant also builds on the company's association with L&T Metro Rail Hyderabad, aligning with the city's increasing reliance on metro connectivity for daily movement. The new restaurant is a **2,800 sq. ft. dine-in form** and is located at the entry level of the bridge connecting directly to the metro station, ensuring seamless access and strong visibility.

Strategically located, the area is emerging as a prominent retail and lifestyle destination. Its direct skywalk connectivity to the Irrum Manzil Metro Station positions it as a high-access hub for commuters, office professionals, students, and families. Food lovers can come and enjoy a range of **vegetarian and non-vegetarian menu items such as all burgers and wraps, fried chicken, hand-crafted McCafé beverages.**

As of December 2025, the company has a network of 458 restaurants across 73 cities. With this addition, Westlife Foodworld adds to its existing footprint of over 20 restaurants in Hyderabad, that offer accessibility, convenience, and relevance to evolving urban lifestyles.
