Sub: Movement in Price

Dear, Sir

This is in reference to your letter dated 15th May 2019, we, Sanco Industries Limited ("the Company") hereby states that the movement in price is suomotori.e. driven by factors like market conditions, changes in economy conditions or trends affecting the country.

There is no event, information including any price sensitive information that can have a bearing on the operation/performance of the company. Whenever there is any such event or information, which may have a bearing on the price / volume behavior in the scrip, the Company always duly intimates the same to the stock exchange.

Therefore, we request you to accept our clarifications that the price movement is because of the factors beyond the control of the Company and not due to any price sensitive information at the end of the Company.

Thanking You

Yours faithfully,

For Sanco Industries Limited
