Raj Television Network Limited (RTNL) Announcement:-

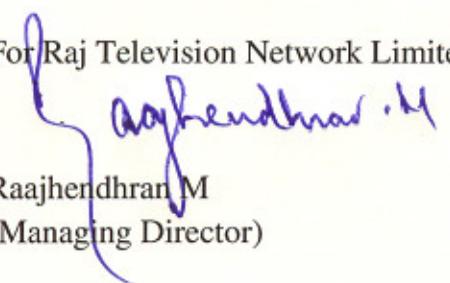

“RAJ TV proposes to release the New Version of restored digital colour DTS sound format movie ‘NINAIHALE INIKKUM’-one of the evergreen masterpiece Tamil movies”

We announce that after the successful release of masterpiece Tamil Movie ‘KARNAN’, which ran successfully for more than 150 days, with substantial contribution to RTNL’s digitization of movie project, the company propose to release the New Version of restored digital colour DTS sound format movie ‘NINAIHALE INIKKUM’, acted by the Super Star Rajini Kanth, Dr.Kamalhassan starring , during the this Diwali festival , which is directed by Mr.K.Balachander. The company expects sizable revenue contribution from this movie release.

Further the company expects to release the movie ‘VEERA PANDIYA KATTABOMMAN’ in 3D platforms, again a blockbuster of Chevalier Dr.Shivaji Ganesan starrer, by January 26th Republic Day 2013 as ‘Republic day Special Movie’.

The company is very confident that the project of digitalization of old Tamil masterpiece movies, will argument good business and company received good response from the first digital movie release ‘KARNAN’ in terms of viewarship and revenue. The company has good potential for revenue generation by exploring the hidden assets-movie rights by way of digitization in various languages and dubbing and another 5 masterpiece movies are in the digitization project during the current financial year.
