Ramco Systems partners with Ingram Micro **~ To expand its cloud presence ~**

Chennai, India – August 13, 2012 – Ramco Systems announced strategic partnership with Ingram Micro. Ramco, a leading business application provider on booming cloud technology, finds synergy with leading IT distribution company, Ingram, which has wide reach across the country.

Mr. Virender Aggarwal, CEO, Ramco Systems says, "Cloud is a revolutionary business model that dramatically changes the way enterprises addresses their business challenges. Enterprises, large or small are looking for simple and easy to use enterprise software that streamlines business processes and brings transparency in operations. Ingram Micro is a leading distributor of IT solutions with a wide market reach and presence across major cities in India. With this partnership, Ingram will help us reach across the country and market our offering, more effectively. Ramco is a market leader in providing business applications on Cloud and we are confident that our alliance with Ingram Micro will help us further strengthen our leadership position."

"We are delighted to have partnered with Ramco Systems, a like-minded organization which is a market leader for subscription-based cloud solutions, for marketing its ERP on Cloud. There is a growing market for holistic, integrated and robust enterprise software on a SaaS model. Ramco's ERP on cloud is dedicated to meet the complex needs of an enterprise, by providing agile, global-class enterprise software solutions, and is aligned to an enterprise's IT needs and business goals. We see a latent demand among our customer base for Cloud ERP offering and believe Ramco ERP on Cloud will help us address this need, effectively," said **Mr. Jaishankar Krishnan, Managing Director, Ingram Micro India Limited**.

Ramco ERP on Cloud is a full-suite, feature-rich solution which enables customers to adopt and realize benefits of a business application simpler and faster. It offers customers a rich user interface and a unique set of extension/customization capabilities for customers to personalize to meet their business requirements with ease. Ramco ERP on Cloud is on true cloud architecture of multi tenant model and being the only powerful application on cloud to extend manufacturing resource planning (MRP).
