PRESS RELEASE

ITC Infotech forms strategic partnership with Ramco Systems

The partnership will enable clients to drive profitability and enhance end-customer experience

Bengaluru/ Chennai, 17 November 2015 – ITC Infotech, a leading global IT services & solutions company, and a fully owned subsidiary of ITC Ltd, today announced a strategic partnership with Ramco Systems, a leading provider of enterprise software on Cloud, Mobile and Tablets for increasing profitability through better cost management and enhanced customer experience. The partnership will enable ITC Infotech to strengthen its aviation capabilities and expand its expertise in the Human Capital Management (HCM) domain. The partnership will also facilitate Ramco to expand its footprint across the commercial airlines space and further strengthen its client portfolio across key markets, including North America, Europe, Middle East & Africa and Asia-Pacific.

The partnership will enable ITC Infotech to extend its Aviation solution through Ramco's MRO (Maintenance, Repair and Overhaul) offering, integrated with the latest technology stacks such as Cloud, Mobility and simplified user experience. This will enable ITC Infotech and Ramco to jointly provide comprehensive cloud-based applications, and enhance enterprise business solutions with latest innovations such as email based transactions, straight-through processing and real-time optimization with In-memory computing, among others.

ITC Infotech has already established a robust portfolio of ERP services & solutions. This strategic partnership with Ramco will further strengthen the company's portfolio, especially in the Human Capital Management domain. Ramco's comprehensive HCM solution integrated with Global Payroll, addresses statutory and local compliance across 35+ countries. This will help ITC Infotech to expand its reach into additional markets, thereby increasing customer revenue as well as enhancing and enriching their experience.

Commenting on the partnership, **Ms. Sushma Rajagopalan, MD & CEO, ITC Infotech** said, "Our strategic partnership with Ramco Systems will deepen our offerings for the aviation industry. In addition, this alliance will further strengthen our ERP service offerings and enhance value delivered to our customers. We look forward to taking this strong collaborative value proposition to market."

Mr. Virender Aggarwal, CEO, Ramco Systems added, "Our partnership with ITC Infotech is beyond product resell and implementation and will focus on leveraging innovation as the key driver to deliver customer benefit. As one of the fastest growing cloud ERP vendors, bringing latest technologies into enterprise business, we are glad to have struck the right partnership. Together, we will focus on providing rich, comprehensive offerings to clients."

About ITC Infotech

ITC Infotech is a specialized global scale – full service provider of Domain, Data and Digital technology solutions, backed by a strong business and technology consulting focus. The company caters to enterprises in Supply Chain based industries (CPG, Retail, Manufacturing, Hi-Tech) and Services (Banking, Financial Services and Insurance, Airline, Hospitality) through a combination of traditional and newer business models, as a long term sustainable partner.

ITC Infotech is a fully owned subsidiary of USD 8bn ITC Ltd – one of India's most admired companies.

About Ramco Systems

Ramco is a fast growing enterprise software player disrupting the market with its multi-tenanted cloud and mobile-based enterprise software in the area of HCM and Global Payroll, ERP and M&E MRO for Aviation. Part of the USD 1 billion Ramco Group, Ramco Systems focuses on Innovation and Culture to differentiate itself in the marketplace. On Innovation front, Ramco has been focusing on moving towards Cognitive and Robotic ERP with features such as Mail It – a feature which enables users to transact with the application by just sending an email; HUB It - a one screen does it all concept built to address all activities of a user; Thumb It – mobility where the system presents users with option to choose rather than type values and Prompt It – a cognitive ability which will let the system complete the transaction and prompts the user for approval.

With 1600+ employees spread across 20 offices, globally, Ramco follows a flat and open culture where employees are encouraged to share knowledge and grow. No Hierarchies, Cabin-less Offices, Respect work and not titles, among others are what makes the team say, Thank God it's Monday!

Ramco Systems - Winner of ISG Award for Innovation
