Industry Must Make Heavy Data Users Pay More: Airtel

Our Bureau

New Delhi: Bharti Airtel Friday told analysts its prepaid tweaks are only a trial run, and that sustained growth in average revenue per user —akey growth metric—will need a sector-wide shift in how data is priced.

Asked on the Q2 FY27 earnings call whether its August intervention was a step towards fixing the industry's pricing architecture, Shashwat Sharma, managing director of Bharti Airtel, said the problem was structural. The sector, he said, has "a very flat architecture and very low ARPUs." "You're giving away unlimited usage, and you're not monetising consumption in a way. Data in that sense is not charged properly." The withdrawal of the ₹299 plan move, he said, was "more of an experimentation on our own base to keep moving ARPUs up," while "the architecture correction is a much bigger correction that is required in the industry."

Airtel's India mobile ARPU rose to ₹271 from ₹264, helped by premiumisation and an extra day in the quarter. Sharma said the Q2 prepaid action had "already kind of paid out," with postpaid upgrades, international roaming and top-ups as the next levers. Data usage per user, an analyst noted, is closing the gap with peers to 20-odd percent. Sharma said heavy users must contribute more. "People who consume heavily must pay for data proportionately, and that is the shift the industry eventually will have to make." Doing so would give "organic growth of ARPU, which is consumption-led," and "a pivotal shift that we need to make."

Sharma attributed higher churn to seasonality and tariff actions, which bring "a temporary impact on customer continuity." Interestingly, Airtel reintroduced the ₹299 plan that it had withdrawn in August, which had effectively increased the entry price for daily data plans to ₹349.

PREPAID PUSH

Q2 prepaid moves have delivered results, with postpaid upgrades, roaming and top-ups the next growth drivers, Sharma said

All-time High Hindalco Profit Rises 59% to ₹7,533 Crore in Q2

Nikita Periwal

Mumbai: Hindalco Industries' earnings are likely to remain steady even if aluminium prices come down from current levels, managing director Satish Pai said after the company announced record profits for the September quarter.

For the September quarter, Hindalco's consolidated profit surged 59% on year to an all-time high of ₹7,533 crore, underpinned by a 39% jump in the consolidated revenue to ₹ 91,708 crore. Consolidated earnings before interest, tax, depreciation and amortization jumped 42% on year to ₹13,726 crore.

"The advantage of a company like Hindalco is that you have four or five pillars on which the company runs. If you see the September quarter for instance, LME (aluminium prices) were down, and the EBITDA of the aluminium business was lower (quarter-on-quarter). But then copper had a great quarter and balanced it out," Pai said on a call after the company's quarterly earnings.

He also expects the downstream and speciality business of aluminium to pick up in the March quarter, which could offset any weakness in aluminium prices, which impacts the upstream business.

"Because we have four-five solid businesses, the combination tends to keep our earnings on a very stable platform," Pai said.

Novelis was the largest contributor to Hindalco's revenue during the quarter, followed by the copper segment. The upstream business of aluminium operations in India, meanwhile, was third in terms of contribution to the revenue; the segment though, accounted for more than half of the company's consolidated EBITDA, with EBITDA having grown 55% from the previous year.

The aluminium upstream business had an EBITDA margin of 52% during the quarter, which Pai said was the best in the industry. Hindalco made an EBITDA of $2,125 per tonne of aluminium, up 40% compared to the previous year. Prices of aluminium on the London Metal Exchange (LME) surged to more than $3,300 per tonne earlier this year amid the escalation of the West Asian crisis, as the region which accounts for about 7-9% of the global output suffered supply constraints.

Prices have seen a correction since then, weighed down by the rapid expansion of smelting capacities in Indonesia. LME prices of aluminium are currently around $3,000 per tonne, and Pai said that he expects prices of aluminium to remain in this range for the remaining two quarters of this fiscal.

"The more interesting point is what happens in FY28 when all the geopolitical events either quieten down or not. The general thinking in the market is that aluminium prices will be in the $2,600 to $2,800 range in FY28," he said.

Hindalco reported its earnings during market hours on Friday, and its shares closed at ₹957.70 rupees on the BSE, up nearly 2% from the previous close.

UP Rajya Vidyut Utpadan Nigam Ltd.

HYDEL OBRA POWER STATION, OBRA

E-Notice Notice

Office of the Executive Engineer Hydel Obra Power Station, Obra Sonebhadra, U.P. Jal Vidyut Nigam Ltd. invites sealed tender from interested parties. Details of tenders is given below:-

Tender Specification No. T-07/HOPS/2026-27
Name of work:- Replacement of old pneumatic circuit breaker of machine No 03 and Bus coupler with new 145 KV spring charged SF6 Circuit breaker (including dismantling of old breaker and supply, installation, Testing and commissioning of new breaker) in 132 KV Switchyard of HOPS, Obra.
Estimated Cost:- Rs. 39.82 Lakh + GST extra

Tender Specification No. T-08/HOPS/2026-27
Name of work:- Supply and installation of new GI octagonal poles along with cable, LED lights and accessories between Tiraha point to Damtop gate No. 01 and dismantling of old cemented poles in Hydel Obra Power Station, Obra,
Estimated Cost:- 20.0 Lakh + GST extra.

Tender Specification No. T-09/HOPS/2026-27
Name of work:- Day to day electrical maintenance work of HOPS quarters in Obra colony (Hydel Quarters) for 01 yea at HOPS, Obra.
Estimated Cost:- 2.34 Lakh + GST extra.

Tender Specification No. T-10/HOPS/2026-27
Name of work:- Annual Preventive (mechanical) of Machine no. 1 of (3X33 MW) Hydel Obra Power, Obra.
Estimated Cost:- 14.50 Lakh + GST extra.

Date of availability of bid documents on website:- 04/11/2026
Last date for submission of tender :- 03/12/2026

For further details please visit website **www.upjvn.org** and **hptts://etender.up.nic** from where tender documents can be downloaded.

भुगतान के विवाद में महिला की शिकायत पर मुकदमा

देहरादून: बंजारावाला में भुगतान को लेकर विवाद सामने आया है। महिला ने एक स्टोर संचालक दीपांशु गोयल पर 30 हजार रुपये बकाया नहीं देने, गाली-गलौज और मारने की धमकी देने का आरोप लगाया है। पटेलनगर पुलिस ने मुकदमा दर्ज कर जांच शुरू कर दी है। बल्लुपुर निवासी तम्मना खान ने बताया कि उनकी मुलाकात दीपांशु गोयल से हुई थी। स्टोर में शटरिंग के बांस लगाने का काम 20 हजार में तय हुआ था। तय अवधि में काम पूरा नहीं हुआ तो अतिरिक्त अवधि के लिए प्रतिमाह 10 हजार रुपये देने की सहमति बनी थी। कुल 60 हजार रुपये में से 30 हजार ही दिए गए। (जासं)

घास चरने गई गाय टी स्टेट में कटी मिली, मुकदमा दर्ज

देहरादून: प्रेमनगर क्षेत्र के ठाकुरपुर स्थित गढ़रिया मोहल्ले के पास चरने गई गाय टी-स्टेट में कटी मिली। गाय के मालिक ने आशंका जताई है कि किसी व्यक्ति ने गाय का कटान किया है। पुलिस ने मुकदमा दर्ज कर जांच शुरू कर दी है। शिव कुमार ने बताया कि उनकी काले और सफेद रंग की गाय 31 अक्टूबर को घर से चरने के लिए निकली थी, लेकिन वापस नहीं लौटी। पांच नवंबर को सुबह करीब 10 बजे ठाकुरपुर के गढ़रिया मोहल्ले के पास टी-स्टेट में गाय कटी हुई मिली। आशंका जताई कि किसी ने गो हत्या की है। (जासं)

रंबल स्ट्रिप पर डगमगाया, डिवाइडर से टकरा कार पर पलटा था कंटेनर

हादसे का सीसीटीवी फुटेज आया सामने, तेज रफ्तार में दिखा कंटेनर

मोहब्बेवाला हादसा

जागरण संवाददाता, देहरादून: दून-दिल्ली एक्सप्रेसवे पर मोहब्बेवाला में चार जिंदगियां लीलने वाले हादसे का सीसीटीवी फुटेज सामने आने के बाद दुर्घटना की भयावहता और बढ़ गई है। फुटेज में तेज रफ्तार कंटेनर रंबल स्ट्रिप पर पहुंचते ही डगमगाता नजर आ रहा है। इसके बाद चालक वाहन पर नियंत्रण नहीं रख पाता व कंटेनर डिवाइडर से टकराकर बगल में चल रही कार पर पलट जाता है। हादसे के वक्त कंटेनर के आसपास और आगे कई अन्य कारें भी चल रही थीं। कुछ सेकेंड के भीतर हुए इस घटनाक्रम ने एक परिवार को उजाड़ दिया। फुटेज के सामने आने के बाद दून-दिल्ली एक्सप्रेसवे पर रफ्तार नियंत्रण, रंबल स्ट्रिप की उपयोगिता और सड़क की डिजाइन को लेकर सवाल फिर गहरा गए हैं।

बुधवार दोपहर करीब 3:25 बजे हुए इस हादसे में सहारनपुर निवासी विश्वेश, उनकी पत्नी निशा, मां किरण कपूर और कार चालक नीरज की मौत हो गई थी। कार में मौजूद छह वर्षीय मिहिर चमत्कारिक तरीके से सुरक्षित बच गया था। सामने आए सीसीटीवी फुटेज में कंटेनर की गति तेज दिखाई दे रही है। वीडियो में दिख रहा कि मोहब्बेवाला में रंबल स्ट्रिप पर पहुंचते ही कंटेनर असंतुलित होता है और डिवाइडर से टकराकर कार के ऊपर पलट जाता है। हालांकि, वाहन के अनियंत्रित होने की वास्तविक वजह अभी जांच का विषय है। हादसे के बाद ब्रेक फेल होने की आशंका भी जताई जा रही थी, लेकिन इसकी आधिकारिक पुष्टि नहीं हुई है। हादसे के बाद एक्सप्रेसवे पर सुरक्षा इंतजामों को लेकर पहले से उठ रहे सवाल और भी गंभीर हो गए हैं। रंबल स्ट्रिप का उद्देश्य वाहनों की गति नियंत्रित करना और चालकों को सतर्क करना है, लेकिन इसी स्थान पर भारी कंटेनर के अनियंत्रित होने से सड़क सुरक्षा व्यवस्था की प्रभावशीलता पर सवाल खड़े हो रहे हैं।

रंबल स्ट्रिप पर अनियंत्रित हुआ कंटेनर (लाल घेरे में) • सीसीटीवी फुटेज

स्वजन के बयान के बाद आगे बढ़ेगी जांच

हादसे को लेकर पुलिस ने दो मुकदमे दर्ज किए हैं। एक मुकदमा मृतक के भाई की शिकायत पर अज्ञात कंटेनर चालक के विरुद्ध दर्ज किया गया है, जबकि दूसरा पुलिस ने अपनी ओर से पीडब्ल्यूडी व एनएचएआइ के विरुद्ध दर्ज किया है। पुलिस अब मृतकों के स्वजन के बयान दर्ज करने की तैयारी में है। अधिकारियों के अनुसार, बयान दर्ज होने के बाद हादसे से जुड़े तथ्यों और परिस्थितियों की पड़ताल को आगे बढ़ाया जाएगा।

हादसे में चार लोगों की मौत के बाद एक्सप्रेसवे की डिजाइन पर फिर उठे सवाल

पोस्टमार्टम रिपोर्ट और कंटेनर मालिक से भी जुड़ेगी जांच

पुलिस दुर्घटना में मृतकों की पोस्टमार्टम रिपोर्ट का इंतजार कर रही है। जांच में रिपोर्ट को भी महत्वपूर्ण साक्ष्य के रूप में शामिल किया जाएगा। साथ ही कंटेनर के मालिक को नोटिस भेजने की तैयारी है। पुलिस वाहन से जुड़े दस्तावेज और अन्य तकनीकी पहलुओं की भी पड़ताल करेगी। सीसीटीवी फुटेज सामने आने के बाद अब जांच में यह भी महत्वपूर्ण होगा कि कंटेनर रंबल स्ट्रिप पर किस कारण असंतुलित हुआ और चालक वाहन पर नियंत्रण क्यों नहीं रख सका।

रिश्वत मामले में फरार कांस्टेबल की अग्रिम जमानत याचिका खारिज

जागरण संवाददाता, देहरादून: विशेष न्यायाधीश सतर्कता अधिष्ठान अंजली बेंजवाल की अदालत ने रिश्वत के मामले में फरार चल रहे हरिद्वार के कांस्टेबल की अग्रिम जमानत याचिका निरस्त कर दी है। कोर्ट ने तल्ख टिप्पणी करते हुए कहा कि पुलिस द्वारा आम आदमी पर दबाव बनाने का आरोप बेहद गंभीर है और परिस्थितियों को देखते हुए, जमानत का कोई आधार नहीं बनता।

मामला हरिद्वार के रानीपुर थाने का है। अभियोजन पक्ष के अनुसार, एसएआइ सोनिया और कांस्टेबल निलय यादव शिकायतकर्ता पर लगातार दबाव बना रहे थे। बीती चार अक्टूबर को सतर्कता (विजिलेंस) की टीम ने ट्रैप कार्रवाई करते हुए एसएआइ सोनिया को रिश्वत लेते रंगे हाथ गिरफ्तार कर लिया था, जबकि कांस्टेबल निलय यादव तब से फरार चल रहा है।

कांस्टेबल यादव ने अपनी जमानत याचिका में तर्क दिया था कि एफआइआर में उसका नाम सीधे तौर पर शामिल नहीं है और न ही उसने कोई रिश्वत मांगी। वहीं, विशेष लोक अभियोजक ने जमानत का विरोध करते हुए अदालत को बताया कि आरोपित जांच में सहयोग नहीं कर रहा है। अदालत ने दोनों पक्षों की बहस सुनने के बाद आरोपी कांस्टेबल का अग्रिम जमानत प्रार्थना पत्र खारिज कर दिया।
