To The Board of Directors of Geometric Limited

We have audited the accompanying annual consolidated financial results of Geometric Limited ('the Company') and its subsidiaries (collectively referred to as 'the Group') for the quarter and year ended 31 March 2016, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to the fact that the figures for the quarter ended 31 March 2016 and the corresponding quarter ended in the previous year as reported in these financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the relevant financial year. Also, the figures up to the end of the third quarter had only been reviewed and not subjected to an audit.

These consolidated financial results have been prepared on the basis of annual consolidated financial statements and reviewed quarterly financial results up to the end of the third quarter, which is the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial results based on our audit of such consolidated financial statements, which have been prepared in accordance with the recognition and measurement principles laid down under Section 133 of the Companies Act, 2013 ('the Act') read with rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India and in compliance with the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Figures for the corresponding quarter and year ended 31 March 2015 have been audited by a firm of Chartered Accountants other than B S R & Co. LLP.

We did not audit the financial statements of two subsidiaries included in the consolidated quarterly financial results and consolidated year to date financial results, whose consolidated financial statements reflect total assets of Rs. 22,439 lakhs as at 31 March 2016 and total revenues of Rs. 9,619 lakhs and Rs. 37,038 lakhs for the quarter and year ended 31 March 2016, respectively. These financial statements have been audited by other auditor whose report has been furnished to us, and our opinion on the consolidated quarterly financial results and the consolidated year to date financial results, to the extent they have been derived from such financial statements, is based solely on the report of such other auditor.
