HCL to showcase innovative tools at SAPPHIRE® NOW to help clients develop their road map to SAP® Business Suite 4 SAP HANA®

Leading applications services provider and SAP partner to exhibit SAP solutions as a part of systems integration portfolio

Sunnyvale, CA and Noida, India – April 30, 2015 – HCL Technologies, a leading global IT services company and SAP partner, announced that it will showcase to customers and prospects its portfolio of innovative solutions for SAP® Business Suite 4 SAP HANA® at SAPPHIRE® NOW and the ASUG Annual Conference, being held May 5-7 in Orlando, Fla., in booth #1000.

HCL delivers end-to-end transformation services and innovative solutions to clients across all industry verticals. Visitors to HCL's booth (#1000) will gain insights on how HCL's offerings can help them transform their enterprise with SAP solutions for business analytics, cloud, customer relationship management, e-commerce, enterprise asset management, human capital management, mobility, and supply chain management.

SAPPHIRE NOW and the ASUG Annual Conference are the world's premier business technology event and largest SAP customer-run conference, offering attendees the opportunity to learn and network with customers, SAP executives, partners and experts across the entire SAP ecosystem.

HCL executives will speak along with clients and partners in two sessions: "Simplify IT and Reduce Cost with Systems Consolidation and Replatforming," on May 5 at 12:30 p.m. with chemicals manufacturing company Chemtura, and "The EMC Journey to Improve Operational Efficiency Using SAP Solutions," on May 6 at 11 a.m. with EMC Corp.

"Increased agility, innovation, speed and reducing the cost of IT are key business imperatives for clients today. HCL's comprehensive approach to helping clients modernize their applications, optimize digitally across the enterprise and innovate using SAP software enables them to accelerate the business value they gain from their IT investments," said Greg Palesano, executive vice president and global head of applications at HCL Technologies. "At SAPPHIRE NOW this year, we will also demonstrate our powerful tools like HCL Insight+ to help clients leverage the cloud using products like SAP S/4HANA."

HCL will also have a dedicated pod inside the Microsoft booth, showcasing its offerings for SAP solutions running on Microsoft® Azure.

To schedule a meeting at SAPPHIRE NOW with an HCL expert on SAP solutions, visit http://www.hcltech.com/sapphire-2015/speak-expert.

About HCL Technologies

HCL Technologies is a leading global IT services company working with clients in the areas that impact and redefine the core of their businesses. Since its emergence on global landscape after its IPO in 1999, HCL has focused on 'transformational outsourcing', underlined by innovation and value creation, offering an integrated portfolio of services including software-led IT solutions, remote infrastructure management, engineering and R&D services and Business services. HCL leverages its extensive global offshore infrastructure and network of offices in 31 countries to provide holistic, multi-service delivery in key industry verticals including Financial Services, Manufacturing, Consumer Services, Public Services and Healthcare & Life sciences. HCL's organizational beliefs of 'Employees First, Customers Second', 'Trust, Transparency and Flexibility', and 'Value Centricity' empower its 104,184 Ideapreneurs to create real value for customers by delivering a Relationship Beyond the Contract. HCL Technologies, along with its subsidiaries, had consolidated revenues of US$ 5.8 billion, as on 31st March 2015 (on LTM basis). For more information, please visit www.hcltech.com.

HCL Forward-looking Statements

Certain statements in this release are forward-looking statements, which involve a number of risks, uncertainties, assumptions and other factors that could cause actual results to differ materially from those in such forward-looking statements. All statements, other than statements of historical fact are statements that could be deemed forward looking statements, including but not limited to the statements containing the words 'planned', 'expects', 'believes',' strategy', 'opportunity', 'anticipates', 'hopes' or other similar words. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding impact of pending regulatory proceedings, fluctuations in earnings, our ability to manage growth, intense competition in IT services, Business Process Outsourcing and consulting services including those factors which may affect our cost advantage, wage increases in India, customer acceptances of our services, products and fee structures, our ability to attract and retain highly skilled professionals, our ability to integrate acquired assets in a cost effective and timely manner, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, the success of our brand development efforts, liability for damages on our service contracts, the success of the companies /entities in which we have made strategic investments, withdrawal of governmental fiscal incentives, political instability, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property, other risks, uncertainties and general economic conditions affecting our industry. There can be no assurance that the forward looking statements made herein will prove to be accurate, and issuance of such forward looking statements should not be regarded as a representation by the Company, or any other person, that the objective and plans of the Company will be achieved. All forward looking statements made herein are based on information presently available to the management of the Company and the Company does not undertake to update any forward-looking statement that may be made from time to time by or on behalf of the Company.
