Limited Review Report

**Review Report to
The Board of Directors
M/S. Nu Tek India Limited**

We have reviewed the accompanying statement of unaudited standalone financial results of **M/S. Nu Tek India Limited** ('the Company') for the quarter ended September 30, 2017 and year to the date from April 1, 2017 to September 30, 2017 ("the statement") attached herewith, being submitted by the company pursuant to the requirement of regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion. However our qualification on the matter are as under:

We are not able to consolidate the financials statements of the Company with their Subsidiaries. As one of the Subsidiary (Nu Tek HK Pvt Ltd) which is 100% subsidiary of the company is facing winding up Proceedings by the by the order of Honorable High court of Hong Kong in winding up petition Case No 138/2017 on 19th day of July 2017 and provisional official liquidator has been appointed by the court . The Company was not able to provide the statement of affairs of Nutek HK Pvt Ltd. for the half year ended on 30th Sep 2017 duly signed and approved by the official Liquidator.

We submitted the unaudited financial result of Nu Tek HK Pvt Ltd a 100% Subsidiary of Nu Tek India Ltd. for the Year ending 31st March 2017, on reviewing the Audit report of Nu Tek HK Pvt Limited for that period , We observed the qualification of the Auditor of the subsidiary company as under :

"In the absence of sufficient documentary evidence, we are unable to ascertain the underlying value of the group investment in an associate of HK\$349,000,000 approximately and to assess the amounts of provisions, of any, which might have been required."

"Included in the consolidated statement of financial position is the amounts of trade receivables of HK\$94,000,000 approximately. We have not been provided with documentary evidence to substantiate the recoverability and to assess the provision, if any, which might have been required."

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the recognition and measurement principles laid down in the applicable Indian accounting standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement except report as under:

As per requirement of Ind AS-32, 107 and 109 regarding the valuation of Investment .We are not in the position to comment on the realizable value of equity investment Rs.336 crore made in subsidiary Nu Tek HK Pvt Ltd as the company is under liquidation and there is no sufficient information and documents provided to assess the realizable value of the investment,
