Madam,

Re : Clarification.

This has reference to our Update dated 06.06.2016 and your subsequent query e-mail dated 07.06.2016.

In this connection, our reply to your query is as under :

The Company do not have any significant impact of the litigation in view of the following –

- Company has and had alternative arrangements for procurement of material, therefore do not have any impact on the business of the Company
- Liability for payment to the concern supplier is already accounted in our books of the account. Hence it will not have impact on the Company.

We hope that this will suffice your query.

Thanking you,

**Yours faithfully
For 20 Microns Limited**
