Dear Sir,

In this connection we refer to the point no.3 of the Consolidated Notes which is reproduced herein below:

“Assets and Liabilities used in the Company’s business are not identified to any of the reportable segment, as these are used interchangeably between segments. The Management believes that it is not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of available data is onerous.”

Trust the above note clarifies your query, please let us know in case you need further clarification.
