Independent Auditor's Report on the Consolidated Financial Results of Repro India Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Repro India Limited

We have audited the accompanying annual consolidated financial results of Repro India Limited (herein referred to as 'the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') for the year ended 31 March 2018, attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the quarter ended 31 March 2018 and the corresponding quarter ended in the previous year as reported in these consolidated financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures upto the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These consolidated annual financial results have been prepared from consolidated annual financial statements and reviewed quarterly consolidated financial results upto the end of the third quarter which are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated annual financial results based on our audit of such consolidated annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as consolidated annual financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

We did not audit the financial statements of two subsidiaries included in the consolidated annual financial results, whose annual financial statements reflect total assets of Rs.5,829 lakhs as at 31 March 2018 as well as the total revenue of Rs.6,628 lakhs, for the year ended 31 March 2018. These annual financial statements and other financial information have been audited by other auditors whose reports has been furnished to us, and our opinion on the annual financial results, to the extent they have been derived from such annual financial statements is based solely on the report of such other auditors. Our opinion is not modified in respect of this matter.
