Sub: Unaudited Financial Results (Standalone & Consolidated) for the Quarter ended June 30, 2017
Ref. : Your letter dated September 11, 2017, our response letter dated September 12, 2017 and your follow-up mail on September 12, 2017.

This has reference to your communication, wherein you have brought to our attention that in the Financial Result submitted by the Company the reconciliation of profit and loss was not submitted for the quarter ended June 30, 2016 prepared under regulation 33 of the SEBI (LODR) Regulations, 2015 ("the Regulations").

We wish to inform you that the Company was listed in the Stock Exchange only on 27, June 2017, and that the interim financial results were prepared for the first time.

The reconciliation of profit and loss would be required in a case where we have earlier published interim results for comparative quarter under previous GAAP. As the Company had not prepared or published any interim results earlier under previous GAAP for the comparative quarter ended June 30, 2016, no separate reporting made for reconciliation of profit and loss. Considering the above positions, we believe that we have been compliant with the requirements of the Regulations.

We request you to kindly take the above information on record and confirm.

Thanks & Regards,

For Tejas Networks Limited
