1. We have reviewed the accompanying Statement of Unaudited Financial Results of Educomp Solutions Limited ('the Company') for the period ended September 30, 2016 ("the Statement") being submitted by the Company pursuant to the requirement of Regulation 63 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/CMD/15/2015 dated November 30, 2015 and Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016. Attention is drawn to Note 3 to the Statement that the figures for the corresponding quarter ended September 30, 2015 including the reconciliation of loss under Ind AS of the corresponding quarter with loss reported under previous GAAP, as reported in the Statement have been approved by Company's Board of Directors but have not been subjected to review.

2. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under Sec 133 of Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. The Company has not recorded any provision against long outstanding trade receivables from Edu Smart Services Private Limited (ESSPL) amounting to Rs. 79,657.93 lacs (net of Rs. 30,036.18 lacs already provided) and has also not considered diminution in value of its investment in ESSPL amounting to Rs. 5,097.35 lacs despite ESSPL having significant losses and erosion of its net worth. We are unable to comment on the resultant impact on the losses for the quarter ended September 30, 2016.

5. Based on our review conducted as above, except for the matter described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with aforesaid accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 63 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/CMD/15/2015 dated November 30, 2015 and Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

*These have been approved by the Board of Directors but not subjected to limited review by the auditors.

4 Pursuant to implementation of approved Corporate Debt Restructuring Scheme (CDR scheme), certain lenders have disbursed fresh corporate loans to the Company and corresponding trade receivables were bought from Edu Smart Services Private Limited (ESSPL) together with future business relating to these customers. Due to this restructuring, the remaining receivables in ESSPL may not yield adequate surplus to discharge its liability towards the Company for trade receivables and redemption of redeemable non convertible preference shares. However, the approved CDR scheme has mandated merger of ESSPL with the Company and accordingly, the Company has initiated the process and has taken the approval of Board of Directors in the board meeting held on 13th January 2015. The Board of Directors in their meeting held on 26th May 2016 has suggested certain changes in the scheme with respect to above said merger and revised scheme shall be placed before the board for consideration. The impact for the amalgamation shall be given/recorded in the books of accounts upon obtaining approvals and implementation of the Scheme.

5. The auditors have drawn attention in their review report on the financial results of the Company for the quarter and half year ended September 30, 2016 in respect of the following matters:

a) Due to inadequacy of the profits, managerial remuneration paid by the Company to one of its Whole Time Director during the quarter ended June 30, 2015 and year ended March 31, 2015, is in excess of limits prescribed under Section 197 and 198 read with Schedule V to the Companies Act, 2013.

Similarly, managerial remuneration paid during the financial year ended March 31, 2014 to one of its Whole Time Director was also in excess of limits prescribed under Section 198, 269 and 309 read with Schedule XIII of the Companies Act, 1956.

The management of the Company is in the process of making necessary applications to the Central Government to obtain its approval for the waiver/approval of the remuneration so paid in years ended March 31, 2014, March 31, 2015 and quarter ended June 30, 2015 in due course.

b) The Company has assessed the business projections of five of its subsidiary companies, namely Educomp Infrastructure and School Management Limited, Educomp Online Supplemental Services Limited, Little Millennium Education Private Limited (Formerly known as Educomp Child Care Private Limited), Educomp Professional Education Limited, Educomp Intelliprop Ventures Pte Ltd. (Formerly known as Educomp Intelprop Ventures Pte Ltd.) and its associate Greycells18 Media Limited, having a total investment of Rs. 149,622.06 lacs and has concluded that their businesses are sustainable on a going concern basis. The Company evaluated the recoverability of its investments, using business valuations performed by independent experts, according to which the decline in the carrying value of these long term investments has been considered to be temporary. The said evaluation is based on the long term business plans of its subsidiaries and associate as on March 31, 2016 and concluded that no adjustments to the carrying value of its long term investments is required to be recorded in these unaudited results of the Company for the quarter and half year ended September 30, 2016.

c) The Company has incurred substantial losses and its net worth has significantly eroded. The Company has not been able to meet its debt related obligations including those as per its CDR package executed with Company's lenders. Further, based on a Techno Economic Viability study carried out by PricewaterhouseCoopers, an independent expert on the proposal submitted by the company to the lenders, the Company may not be able to generate sufficient funds to service its entire debt obligations. Consequently the said proposal is under consideration with lenders.

As per the proposal, the Company intends to monetize its identified investments, receivables and assets besides taking several measures to improve operational efficiencies. Further, borrowings are sought to be restructured again and that with the above measures alongwith continuous efforts to improve the business it would be able to generate cash flows as per the proposal to discharge its short term and long term liabilities and continue as a going concern. Accordingly, these financial results have been prepared on a going concern basis and do not include any adjustments relating to the recoverability and classification of recorded assets, or to amounts and classification of liabilities that may be necessary, if the entity is unable to continue as a going concern.

6. **Exceptional Items**

a) During the quarter ended September 30, 2016, pursuant to a negotiated settlement entered into with ICICI Bank, the Company has divested its entire shareholding in Vidya Mandir Classes Limited (being 67% shareholding in VMCL), a subsidiary of the Company and Educomp Learning Hour Private Limited, a step down subsidiary of the Company.

However, pending receipt of full consideration, the shares of VMCL proportionate to outstanding consideration continue to be in the name of the company and are held 'in trust'. These shall be transferred on a pro-rata basis as the consideration is received.

11. Disclosures under Regulation 52(4) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the half year ended September 30, 2016 are given in Annexure A.

12. The ratios given at serial no. 19, 20 & 21 above have been computed as below:

a) Interest service coverage ratio = Earnings before interest, exceptional item and tax/ Finance cost
b) Debt equity ratio = Debt fund / net worth
