- 2 The above results have been approved by the Board of Directors of the Bank at its meeting held on April 21, 2017. There are no qualifications in the auditor's report for the year ended March 31, 2017. The information presented above is extracted from the audited financial statements as stated.

Of these, accounts that remained outstanding as at March 31, 2017 are classified as NPAs. In addition, other eligible accounts which became more than 90 days overdue during the quarter ended March 31, 2017 have also been classified as non-performing as at March 31, 2017 without the Bank availing of the said dispensation.
