To
The Resolution Professional ofIVRCL Limited

1. The Hon'ble National Company Law Tribunal, Hyderabad Bench ("NCLT") admitted an insolvency and bankruptcy petition filed by a financial creditor against IVRCL Limited ("the Company") and appointed Mr. Sutanu Sinha to act as Interim Resolution Professional (IRP) with direction to initiate appropriate action contemplated with extent provisions of the Insolvency and Bankruptcy Code, 2016 and other related rules.

2. As per Regulation 33(2)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, the standalone financial results of a Company submitted to the stock exchange shall be signed by the Chairperson or Managing Director or Whole Time Director or in absence of all of them, it shall be signed by any Director of the Company who is duly authorized by the Board of Directors to sign the standalone financial results. In view of the ongoing Corporate Insolvency Resolution Process (CIRP), as power explained above to sign the standalone financial results have been suspended and these powers are now vested with Mr. Sutanu Sinha in his capacity as the IRP from February 23, 2018 as per the provisions of the Code. Further, pursuant to the order of NCLT, a public announcement about initiation of CIRP was made on March 03, 2018 and a Committee of Creditors (COC) was formed pursuant to the provisions of the code and COC held their first meeting on March 29, 2018 and *inter alia* confirmed Interim Resolution Professional as Resolution professional (RP) for the Company.

3. We have reviewed the accompanying unaudited standalone financial results ("the Statement")of IVRCLLimited ("the Company") for the quarter and nine months ended on December 31, 2018attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

4. This statement, which is the responsibility of the Company's management and approved by Resolution professional.The Statement has been preparedin accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act 2013, read with relevant rules issued thereunderand other accounting principles generally accepted in India. Our responsibility is to issue a report onthese financial results based on our review of such financial statements.

5. We conducted our reviewof the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statementis free of material misstatement(s). A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

6. We refer to following notes to the accompanying Statement:

   a. Note 4(a) to the statement, in respect of preparation of financial statements of the Company on going concern basis for the reasons stated therein and expiry of timeline to complete the process of CDR/ SDR and substantially completed Corporate Insolvency Resolution Process period. During the quarter the Company has incurred a Net Loss of ₹40,988.42lakhs resulting into accumulated losses of ₹5,37,241.63 lakhs and erosion of its Net worth as at December 31, 2018. The Company has obligations towards fundbased borrowings aggregating to ₹8,90,797.48 lakhs and non-fund based exposure, operational creditors and statutory dues, subject to reconciliation/verification as

stated in note 4(f) that have been demanded/recalled by the financial/operating creditors pursuant to ongoing Corporate Insolvency Resolution Process (CIRP).These conditionsindicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern and therefore the Company may be unable to realize its assets and discharge its liabilities in the normal course of business. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanyingthe Statement.

b. During the quarter ended December 31, 2018, Resolution plan application received from resolution applicants has unanimously been rejected by the members of Committee of creditors (CoC) of the Company which was put for vote in the 14th meeting of the CoC held on November 06, 2018 and subsequently, the matter is with National Company Law Tribunal (NCLT), Hyderabad, which is still pending for final order.

c. Note 4(b) to the statement in respect of recognition of deferred tax assets on account of carried forward unused tax losses and other taxable temporary differences aggregating to ₹95,705.88 lakhs. Based on unexecuted orders on hand, the Management of the Company is confident that sufficient future taxable income will be available against which such deferred tax assets will be realised. However, in our opinion, in absence of convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized, such recognition is not in accordance with Indian Accounting Standard 12 "Income Taxes" (Ind AS 12). Had the aforesaid deferred tax assets not been recognised, loss after tax for the quarter ended on December 31, 2018 would have been higher by ₹95,705.88 lakhs and other equity would have been lower by ₹95,705.88 lakhs.

d. Note 4(c)in connection with the existence of material uncertainties over the reliability of bank guarantees encashed by customers, unbilled revenue, trade receivables and withheld amount aggregating to ₹2,52,129.76 Lakhsincluded in financial and other assets which are past due/subject matters of various disputes /arbitration proceedings/ negotiations with the customers and contractors due to termination / foreclosure of contracts and other disputes. The management is yet to assess the change in risk of default and resultant expected credit loss allowance on such assets. Had the aforesaid assets been provided for impairment, loss after tax for the quarter ended on December 31, 2018 would have been higher by ₹2,52,129.76 Lakhs, other equity would have been lower by ₹2,52,129.76Lakhs.

e. Note 4(d) to the statement in respect of investment of ₹1,20,632.88 lakhsin subsidiaries engaged in BOT and other projects as at December 31, 2018, which are under disputes with the concessionaire, and other subsidiaries that have significant accumulated losses as at March 31, 2018. In absence of fair valuation of these Investments, we are unable to comment upon the carrying value ofthese investments and the consequential impact, if any, on the accompanying standalone financial results.

f. Note 4(e) to the statement in respect ofloans and advances of ₹71,405.32 lakhs given to subsidiary Companies, associate, net receivable against development rights, various sub-contractors, vendors and other parties. These advances, having regard to financial position of such subsidiary companies and age of such advances, in our opinion, are doubtful of recovery. The management is yet to assess the change in risk of default and resultant expected credit loss allowance on such loans and advances. Had the aforesaid assets been provided for impairment, loss after tax for the quarter ended on December 31, 2018 would have been higher by₹71,405.32Lakhs, other equity would have been lower by ₹71,405.32Lakhs.

g. Note 4(f)to the statement in respect of various claims, submitted by the financial creditors (including claims towards fund based and non-fund based exposure and claims on behalf of subsidiary companies and other parties) , operational creditors, workmen or employee and authorized representative of workmen and employees of the Company to Resolution Professional pursuant to the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulation 2016, that are currently under consideration/reconciliation. Pending reconciliation/admission of such claims by the RP, we are unable to comment on the consequential impact, if any, on the accompanying statement;

h. Note4(g) of the statement in respect of non-availability of confirmations of bank balances aggregating to ₹248.43 Lakhs, trade receivables including retention, advances, trade payable as at

CHATURVEDI & CO. NEW DELHI Chartered Accountants

In absence of any alternative corroborative evidence, we are unable to comment on the recoverability of the same.

j. Note 4(i) of the statement in respect of balances available with statutory authorities and input credits aggregating to ₹16,914.50 Lakhs as at December 31, 2018 that are subject to reconciliation, filing of return and admission by the respective statutory authoritiesand the status is still continued and no provision has been madethus, we are unable to comment whether any provision for impairment in the value of advances is required.

7. Based on our review conducted as stated above, except for the effects of the matters described under paragraph 6(b), 6(c) and (6(e) above and possible effects of the matters described under paragraph 6(a), 6(d), 6(f), 6(g), 6(h) and 6(i) nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results, prepared in accordance with applicable accounting standard i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder or by the Institute of Chartered Accountants of India and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 as amended including the manner in which it is to be disclosed, or that contains any material misstatement.

2 The Lenders of the Company had in earlier year approved a Corporate Debt Restructuring Scheme (CDR) with certain reliefs in relation to repayment timelines of loans and accumulated unpaid interest with certain conditions w.e.f. June 30, 2014. The efforts to raise additional funds, however, could not materialise and in the earlier year, the Joint Lenders have decided to adopt Strategic Debt Restructuring (SDR) in their meeting held on November 26, 2015, involving conversion of part of their debt into equity share capital to facilitate majority shareholding (i.e. more than 51%) by the Joint Lenders Forum (JLF). During the previous year, the stipulated time line has ended on May 25, 2017 and no investor has come forward with a binding offer to acquire the lenders stake. The Company has been treated as a case of failed CDR and SDR and lenders have exercised rights available to them on such failure of CDR/SDR including withdrawal/ reversal of waivers/relief earlier granted to them w.e.f. November 30, 2013. During the previous year, a lender has filed a petition against the Company for initiation of CIRP that has been admitted by the Hon'ble National Company Law Tribunal, Hyderabad Bench ("NCLT") vide its order dated February 23, 2018 declaring moratorium inter-alia against any recovery proceedings/wind up proceedings against the Company.
