Rolta wins "Excellence in Analytics 2015" award by NASSCOM

Mumbai – Rolta wins "Excellence in Analytics 2015 for Innovative Business Solutions" award by NASSCOM which was conferred at the Big Data and Analytics Summit in Hyderabad on 25th June, 2015. This award recognizes Rolta OneView® for its unprecedented business value by combining the power of IoT, Data Science and Engineering to achieve prescriptive analytics for Power Generation Industry.

To showcase how organizations are creating value by leveraging analytics across industries, NASSCOM evaluated case studies on "analytics and its attributes." Companies across sectors participated and showcased the business impact by leveraging analytics in areas of Customer Experience & Lifecycle Management, Revenue Maximization, Operational Efficiency, and Compliance & Risk Management. The eminent jury found Rolta OneView® Enterprise Suite's prescriptive and self-service IoT analytics capabilities contributing to significant business value as a key differentiator during their evaluation.

Rolta OneView® Enterprise Suite is a unique pre-built, rapidly deployable industry–rich Big Data Analytics solution that is Cloud-ready and addresses the needs of enterprises to exploit the business value of Big Data and OT-IT integration for predictive and prescriptive analytics. By leveraging Rolta's patented technologies that facilitate real-time integration of data from disparate operations and business systems, Rolta OneView® offers cross-functional visibility of all the critical business functions such as Operations, Assets, Maintenance, Reliability, etc. across multiple sites of an enterprise. In its latest release Rolta OneView® 6.0 brings over 200 pre-built business value scenarios that can be rapidly deployed and customized powered by 3000+ pre-built KPIs specifically designed for asset intensive industries. The adoption of Rolta OneView® by several global majors across Oil & Gas, Chemicals and Utilities clearly demonstrates the value of this leading analytics solution.

Speaking on the occasion, Rajesh Ramachandran, CTO and President, Rolta Global Products and Technology Solutions Group, said "This recognition by NASSCOM clearly reaffirms Rolta's strategy of its innovative IP driven industry-specific solutions. Rolta OneView® takes business analytics to the next level with its self-service predictive and prescriptive analytics to address the real world industry challenges."
