Dear Sirs,

1. We have reviewed the Results of **ROSSELL INDIA LIMITED** (the Company) for the Three Months ended 30th September, 2015 which are included in the accompanying statement of Unaudited Financial Results for the Three Months and Half Year ended September 30, 2015 except for the disclosures regarding Public Shareholding and Promoter and Promoter Group Shareholding which have been traced from disclosures made by the Management but have neither been reviewed nor been audited by us. The statement has been prepared by the Company pursuant to Clause 41 of the Listing Agreement with Stock Exchanges in India, a copy of which has been initialed by us for identification purposes. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410. "Review of interim financial information performed by the independent Auditors of the entity" issued by the institute of Chartered Accountants of India. This Standard requires that we plan and perform the Review to obtain moderate assurance as to whether the Financial Statements are free of material misstatement.
3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. We have only stressed the disclosures regarding public shareholding and promoters and promoter group shareholding in the statement form the disclosures made by the Management and are therefore, not expressing review opinion thereon.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with applicable accounting standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognized Accounting Practices and Policies, and has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Cultivation and manufacture of Tea being seasonal in nature, the above results are not indicative of the results for the full year.

Consumption of green leaf represents cost of green leaf purchased from other growers. The value of green leaf harvested from own Tea Estates is not readily ascertainable because of integrated operation from harvesting of green leaf to manufacture and marketing of Black Tea.

The Exchange Loss on Currency Swap Transactions represents a part of Mark-to-Market Losses on such Transactions provided in these accounts on pro-rata basis to ascertain the fair market value of the financial obligations on the reporting date, based on the period end exchange rate, net of provision made in respect thereof in earlier period.

Tax Expenses represents provision for Current Taxation, which has been made at the prevailing tax rate on the period's profit. Deferred Taxation as per Accounting Standard-22 and Provision for Impairment Loss, if any as per Accounting Standard-28 shall be provided/ recognised at the year end.

Figures in respect of Previous year have been regrouped, where ever required to make them comparable with that of Current Year.

The above results, duly reviewed by the Audit Committee, were approved at the Meeting of the Board of Directors of the Company held on 2nd November, 2015. The Statutory Auditors have carried out the Limited Review of these results.
