**Independent Auditor's Review Report on Unaudited Consolidated Financial Results for the quarter ended June 30, 2026, of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations")**

To

The Board of Directors,

Saatvik Green Energy Limited (Formerly known as 'Saatvik Green Energy Private Limited')

1. We have reviewed the accompanying statement of Unaudited Consolidated Financial Results of Saatvik Green Energy Limited (Formerly known as 'Saatvik Green Energy Private Limited') ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") for the quarter ended June 30, 2026 (hereinafter referred to as "Statement"), attached herewith being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("IND AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Master Circular issued by the Security and Exchange Board of India under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

The Statement includes the results of the subsidiaries as listed down in Annexure 1.

4. Based on our review conducted and procedure performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards specified under section 133 of Companies Act, 2013 and other accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Notes to the Unaudited Consolidated Financial Results for the quarter ended June 30, 2026**

1. The Statement of Unaudited Consolidated Financial Results of Saatvik Green Energy Limited (formerly known as Saatvik Green Energy Private Limited) ("the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as the "Group") have been prepared in accordance with the recognition and measurement principles of Indian Accounting Standard 34 - Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in India and presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations'). The Statement of Unaudited Consolidated Financial Results of the Company have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on August 14, 2026 and has been subject to limited review by the Statutory Auditors of the Company.
2. The Statement includes the results for the quarter ended March 31, 2026, being the balancing figures between Audited Consolidated Financial Statements for the year ended March 31, 2026 and the year to date figures up to nine months ended December 31, 2025, which were subject to limited review.
3. The Group is primarily engaged in the manufacturing of Solar Photovoltaic (PV) modules, Transformers, Engineering, Procurement and Construction (EPC) services, design, construction, procurement and commissioning of Solar Photovoltaic Water Pumping Systems (SPWPS), Solar Inverter and Independent Power Producer. The Chief Operating Decision Makers (CODM) reviews the Group's performance and allocates resources based on an overall assessment of the business as a single operating segment. Accordingly, no other reportable separate segment information is provided in accordance with the requirements of Ind AS 108 – Operating Segments.
4. During the quarter ended March 31, 2026, the Group has reassessed the useful life of certain plant & machinery based on the technical evaluation and industry standards. Consequently, depreciation for the quarter and year ended March 31, 2026 was higher by INR 96.28 million. The Holding Company had also identified impairment indicators for its Monoperc cash-generating unit ('Monoperc CGU') arising from rapid technological advancements in the solar module industry and a strategic shift in management focus; and has accordingly re-assessed the recoverable amount of the Monoperc CGU and recognised an impairment loss of INR 39.46 million during quarter and year ended March 31, 2026.
5. The Group has changed its accounting policy for valuation of Raw Materials, Finished Goods, and Work in Process from First In First Out (FIFO) to moving weighted average cost method w.e.f. March 31, 2026. The Group believes that this change to moving weighted average cost method is preferable as it reflects better matching of the actual cost flows with the physical flow of goods and also improves comparability with Company's industry peers. Hence, it provides reliable and more relevant information to the users of financial statements about the Group's inventory valuation.

In accordance with Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors, this change in method of accounting for inventories has been retrospectively applied to all previous years presented herein. Previous years comparative figures have been adjusted to reflect what results would have been had the Group applied moving weighted average cost method of inventory valuation for inventories. The cumulative effect on retained earnings for these changes was INR 0.50 millions at 1st April, 2024.

As a result of the change in the Group's accounting policy, Financial results for the quarter ended June 30, 2025 have been restated.

The impact on change in accounting policy on Inventory has been adjusted by restating each of the affected financial statement line items for the change in policy as follows:

**Independent Auditor's Review Report on Unaudited Standalone Financial Results for the Quarter ended June 30, 2026, of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations")**

**To**

**The Board of Directors,**

**Saatvik Green Energy Limited (Formerly known as 'Saatvik Green Energy Private Limited')**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Saatvik Green Energy Limited (Formerly known as 'Saatvik Green Energy Private Limited') (the "Company") for the quarter ended June 30, 2026 (the "Statement"), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("IND AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143 (10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards specified under section 133 of Companies Act, 2013 and other accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Notes to the Unaudited Standalone Financial Results for the quarter ended June 30, 2026**

1. The Statement of Unaudited Standalone Financial Results of Saatvik Green Energy Limited (formerly known as Saatvik Green Energy Private Limited) (the 'Company') has been prepared in accordance with the recognition and measurement principles of Indian Accounting Standard 34 - Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in India and presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations'). The Statement of Unaudited Standalone Financial Results of the Company have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on August 14, 2026 and has been subject to limited review by the Statutory Auditors of the Company.
2. The Statement includes the results for the quarter ended March 31, 2026, being the balancing figures between Audited Standalone Financial Statements for the year ended March 31, 2026 and the year to date figures up to nine months ended December 31, 2025, which were subject to limited review.
3. The Company is primarily engaged in the manufacturing of Solar Photovoltaic (PV) modules, Engineering, Procurement and Construction (EPC) services, design, construction, procurement and commissioning of Solar Photovoltaic Water Pumping Systems (SPWPS) and Solar Inverter. The Chief Operating Decision Makers (CODM) reviews the Company's performance and allocates resources based on an overall assessment of the business as a single operating segment. Accordingly, no other reportable separate segment information is provided in accordance with the requirements of Ind AS 108 – Operating Segments.

The Company had also identified impairment indicators for its Monoperc cash-generating unit ('Monoperc CGU') arising from rapid technological advancements in the solar module industry and a strategic shift in management focus; and has accordingly re-assessed the recoverable amount of the Monoperc CGU and recognised an impairment loss of INR 39.46 million during quarter and year ended March 31, 2026.
5. The Company has changed its accounting policy for valuation of Raw Materials, Finished Goods, and Work in Process from First In First Out (FIFO) to moving weighted average cost method w.e.f.
