Bullet train's inaugural run to cover 100 km

● Train will run between Surat & Vapi: Vaishnaw

PRESS TRUST OF INDIA
New Delhi, November 18

INDIA'S FIRST BULLET train will now cover a 100 km distance between Surat and Vapi in Gujarat during its inaugural run in August 2027, Railway Minister Ashwini Vaishnaw said on Tuesday.

Earlier, Vaishnaw had said that the inaugural run would happen on a 50 km stretch between Surat and Billimora. The country's first 508-km long high-speed rail corridor is being constructed between Sabarmati (Ahmedabad) and Mumbai to operate a bullet train at 320 kmph, covering the entire distance in 2 hours and 17 minutes.

Its foundation stone was laid in 2017 and the entire project was initially proposed to be ready

by December 2023. However, land acquisition and other issues delayed the ambitious project. "The bullet train, in its inaugural run, will now cover 100 km between Surat and Vapi in August 2027. Earlier, the inaugural run was planned on a 50 km stretch between Surat and Billimora within the same deadline," Vaishnaw told reporters at the Rail Bhawan.

minutes while stopping at four stations. However, if it stops at all 12 stations, the entire distance will be covered in 2 hours and 17 minutes," he added. Speaking about PM Narendra Modi's recent visit to upcoming Surat station, Vaishnaw said that the PM was very happy with the pace of construction. "PM said that whatever we have learnt from the project must be used elsewhere, not only in Railways, but in other different sectors as well," Vaishnaw said.
