Dear Sir,

In connection with your letter dated August 4, 2025, Regulation 30 of the SEBI (LODR) Regulations, 2015 and the recent news item appeared in the Free Press Journal dated August 4, 2025, it is submitted that Canara Bank has on misconceived basis issued a Show Cause Notice (SCN) to the Company.

The Company on basis of legal advice received had challenged the SCN before the National Company Law Tribunal (NCLT). It is important to state that there has NOT BEEN any adverse declaration/ classification of the account of the Company either by Canara bank or any other Bank.

The matter is still at a very premature stage of Show Cause Notice ONLY.

Hence, there has been NO material event which has any material impact on the operations/ performance of the Company which includes any price sensitive information.

The company shall take all its legal recourse as and when the situation and/or need arises.

Hope this clarifies any question that you may have.
