### Communication from Management for the Shareholders & Investors

As a responsible corporation it has become customary for us to communicate to our shareholders and investors about business activities of the company post the resolution plan of the company getting approved. Your company considers this as an integral part of good corporate governance.

We had informed our shareholders on 27.05.2025 that our company had completed the entire resolution plan one year in advance and paid off all the Financial Creditors and Operational Creditors as per the plan. This momentous feat could be achieved by the company only because of the unwavering support of our investors, shareholders, employees, bankers, clients consultants and regulators. We wish to take this opportunity to thank all our stakeholders who stood by us in our resolution journey.

The company being a pioneer in the field of Indian Media and Entertainment has many firsts to its credit and is now ramping up its efforts to collaborate with young minds to take its business ahead to newer heights by executing new age ideas crafted by the board.

It is our responsibility to always maintain utmost transparency with our shareholders and investors and thus, it is our endeavor to share timely updates.
