Sacheerome Limited

H1 FY27 BUSINESS UPDATE

Crafting Innovative Fragrance & Flavour Solutions

Sacheerome Limited is a B2B fragrance and flavour manufacturer serving FMCG and consumer-product companies across India and international markets. The Company develops customised sensory solutions across personal care, home care, fine fragrances, food & beverages and other consumer applications, supported by dedicated R&D and manufacturing capabilities. With over three decades of industry experience, Sacheerome combines creative expertise with strong manufacturing and application capabilities to deliver differentiated solutions for evolving consumer needs.

During H1 FY27, Sacheerome progressed its manufacturing expansion with the completion of installation and commissioning of its new YEIDA facility and commencement of trial production, while continuing to strengthen innovation, customer engagement and international market development.

H1 FY27 Financial Performance

- Revenue: ₹84.48 Cr
- YoY Growth: 10.34%

Key Operating Metrics

Metric	As on September 30, 2026
Annual Production Capacity	27,60,000 kg
R&D Specialists	60
Manufacturing Units	2

Business Highlights

- **Yeida Facility Commences Trial Production:** Installation and commissioning of the new YEIDA facility has been completed, with trial production commencing in September 2026, expanding the Company's manufacturing capabilities.
- **Modern Smart Green Factory:** The new YEIDA facility has been designed as a Smart Green Factory, integrating advanced manufacturing infrastructure with a focus on sustainability and operational efficiency, while supporting the Company's long-term manufacturing expansion.

- **Strengthening R&D Capabilities:** The facility will house dedicated R&D, Quality Control, Application and Consumer Evaluation Centres, strengthening product development and application capabilities.
- **Technology-Led Innovation:** The Company continued to leverage its proprietary fragrance technologies, application expertise, and advanced evaluation capabilities to enhance product performance and address evolving consumer preferences.
- **Expanding Global Sales Presence:** The Company strengthened its international market presence through dedicated global sales initiatives, market-specific solutions, and expanding customer partnerships across key international markets.

Management Commentary

“Our focus during the period has remained on strengthening our manufacturing platform, advancing innovation and deepening customer relationships. The commencement of trial production at our new YEIDA facility marks an important step in expanding our capabilities and creating a stronger platform for the next phase of growth. We remain focused on developing differentiated fragrance and flavour solutions, expanding our market presence and building lasting relationships with our customers.”

– Mr. Manoj Arora, Chairman & Managing Director
