PAT	1,678.68	1,493.78	12.38%

For H1 FY27, the Company reported an EBITDA margin of 27.57% and a PAT margin of 19.54%.

New YEIDA Facility

- **YEIDA Facility Commences Trial Production:** Installation and commissioning of the new YEIDA facility were completed, with trial production commencing in September 2026, expanding the Company's manufacturing capabilities.
- **Smart Green Factory:** The new facility has been designed as a Smart Green Factory, integrating advanced manufacturing infrastructure with a focus on sustainability and operational efficiency to support long-term expansion.
- **Strengthening Product Development:** The YEIDA facility will house dedicated R&D, Quality Control, Application and Consumer Evaluation Centres, supporting the development and evaluation of fragrance and flavour solutions.
- **Technology-Led Innovation:** Sacheerome continued to use its proprietary fragrance technologies, application expertise and advanced evaluation capabilities to enhance product performance and address evolving consumer preferences.

Mr. Manoj Arora, Chairman & Managing Director of Sacheerome Limited, said:

"During H1 FY27, we recorded steady growth in income and profitability while continuing to work closely with customers on fragrance and flavour solutions suited to their products."

"The commencement of trial production at our new YEIDA facility in September 2026 was an important milestone for us. The facility will give us greater manufacturing capacity and dedicated spaces for research, application development and product evaluation. Our focus now is on progressing the facility, serving our existing customers better and building relationships in domestic and international markets."
