Press Release

Sadhav Shipping Secures Long-Term Pilot Launch Services Contract from Mumbai Port Authority

Mumbai, July 16, 2026: Sadhav Shipping Limited, an integrated maritime services company, is pleased to announce that it has received a work order from the Mumbai Port Authority (MbPA) for the charter hiring of two Pilot Launches with total value of Rs 18.07 cr. The contract is for an initial period of seven years, with a provision for extension of up to three additional years at the discretion of the Mumbai Port Authority.

Under the scope of the contract, Sadhav Shipping will deploy and operate two Pilot Launches on a 24x7 basis to support pilot transfer operations and other essential marine activities within Mumbai Port. The Company will provide the launches along with the required crew, maintenance, and operational support in accordance with the specifications prescribed by the Port.

The contract further strengthens Sadhav Shipping's presence in India's port services segment and reinforces its capabilities in delivering reliable, safe, and efficient marine support services to major ports across the country. The long-term nature of the engagement enhances the Company's revenue visibility while expanding its portfolio of recurring port service contracts.

The company had earlier placed new build orders to A.H. Wadia Boat Builders for four new Pilot and Security Boats with an option of two more boats. With the latest work order, Sadhav has secured engagement for the new builds before their hulls are launched.

Commenting on the development, Mr. Vedant K. Choudhury, CEO, Sadhav Shipping Limited, said:

"We are delighted to receive this prestigious work order from Mumbai Port Authority, one of India's leading major ports. This award reflects the confidence placed in Sadhav Shipping's operational expertise, safety standards, and ability to deliver high-quality marine services. The long-term contract strengthens our presence in the port services business and provides stable revenue visibility, while further reinforcing our commitment to supporting India's growing maritime infrastructure."

Mumbai Port Authority is one of India's oldest and strategically important major ports, handling a diverse range of cargo and vessel movements. Pilot launch services play a critical role in ensuring the safe and efficient transfer of marine pilots, thereby supporting uninterrupted port operations
