Dear Sir/Madam,

This is in continuation of our previous intimation dated 04.01.2021 & 07.10.2020, regarding production of "Copper Sulphate and Ferrous Sulphate" subject to necessary procedures and approvals.

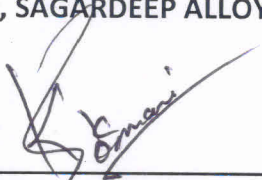

We would like to inform you that the company has received consent of commencement (COC) from Gujarat Pollution Control Board (GPCB) to commence the commercial production of Copper Sulphate and Ferrous Sulphate vide consent Order dated 23.04.2021. The company has started the trial production of copper sulphate after receiving COC and given samples to prospective customers. The Company has received good response from customers and now decide to start commercial production of copper sulphate w.e.f. 01.08.2021.

Further, it is to be noted that the company yet to commence trial production of ferrous sulphate and we will intimate you whenever the company will start the trail/commercial production of ferrous sulphate.

Kindly take the same on your record.

Thanking you.

Yours faithfully,
For, SAGARDEEP ALLOYS LIMITED
