About Sagility Limited.

Sagility is a technology-enabled, healthcare-focused solutions and services provider that supports U.S.-based payers, providers, and their partners in delivering best-in-class operations, enhancing member and provider experiences, and improving the quality of care, all while ensuring cost-effective financial and clinical outcomes.

With over two decades of experience, Sagility's dedicated experts address complex healthcare challenges through deep domain expertise and innovative thinking. The company serves five of the top ten health insurance companies in the U.S., utilizing its advanced technology, processes, and solutions to ensure efficient operations and minimize additional administrative costs. The Company delivers these services through its skilled talent pool across five global service delivery centers located in India, the Philippines, the U.S., Jamaica, and Colombia.
