Introduction

Insider trading means trading in Securities of the Company by its Directors, Employees or other Insiders while in possession of Unpublished Price Sensitive Information (“**UPSI**”). Such trading by Insiders erodes the investors’ confidence in the integrity of the management and is unhealthy for the capital markets.

The Securities and Exchange Board of India (“**SEBI**”), in its endeavour to protect the interests of investors in general, had formulated the SEBI (Prohibition of Insider Trading) Regulations, 1992 under the powers conferred on it under the SEBI Act, 1992, which came into effect from November 19, 1992, and the same were made applicable to all companies whose shares were listed on Indian stock exchanges.

These Regulations not only regulate trading by insiders but also seek to prohibit insider trading.

It is mandatory in terms of the Regulations for every listed company, intermediary, fiduciary and any other person who is required to handle UPSI in the course of business operations to formulate a Code of Conduct for Prevention of Insider Trading to regulate, monitor and report trading by its Directors, Employees who are Designated Persons and Immediate Relative of Designated Persons and other Connected Persons.
