# Sahana System Announces Major Defence Contract Win for Subsidiary Softvan Limited worth Rs. 7.74 Crores

**Ahmedabad, October 8, 2025 | Sahana System Limited (NSE: SAHANA) |** Sahana System Limited, a pioneering IT services provider founded in 2013 and headquartered in Ahmedabad, specializing in AI, ML, IoT, Blockchain and IT outsourcing with a presence in DefenceTech, FinTech, HealthTech and EduTech, is pleased to announce that its subsidiary, Softvan Limited, has been awarded a major contract worth Rs. 7.74 Crores by the Indian Navy, Ministry of Defence (Government of India).

The Total Contract, valued at RS. 7.74 Crores, highlights Softvan Limited's expanding expertise and credibility in executing high-technology projects that cater to the strategic and mission-critical requirements in the defence sector. Secured through the Government e-Marketplace (GeM) platform, the project encompasses the design, supply, and implementation of both RF (Radio Frequency) and Non-RF infrastructure aimed at upgrading the existing RF Measurement System.

This initiative forms a part of advanced technical modernization efforts and represents a vital step toward strengthening India's defence communication and testing capabilities.

**Mr. Pratik Kakadia, Chairman & Managing Director of Sahana System Limited,** commented on the achievement:

*"This prestigious contract from the Indian Navy marks a significant milestone for Softvan Limited and the Sahana Group. It validates our deep technical expertise and strengthens our position in the strategic defence technology space. Securing a project of this scale showcases our commitment to national security, innovation and sustainable growth.*

*We remain focused on delivering this project with the highest standards of quality and execution creating lasting value for our shareholders and clients."*
