Sahana System Limited Receives Provisional Letter of Intent for ₹69.51 Crore Integrated Gate Automation System Project from RailTel

Ahmedabad – July 31, 2026 | Sahana System Limited (NSE: SAHANA) |: Sahana System Limited, a pioneering IT services provider founded in 2013 and headquartered in Ahmedabad, specializing in AI, ML, IoT, Blockchain and IT outsourcing with a presence in DefenceTech, FinTech, HealthTech and EduTech has received a **Provisional Letter of Intent (PLOI)** from **RailTel Corporation of India Limited**, a Navratna Public Sector Enterprise under the Ministry of Railways, Government of India. The PLOI appoints Sahana System Limited as the successful Business Associate for the implementation of the **Integrated Gate Automation System (IGAS)** at **Deendayal Port Authority, Kandla**.

The total project value stands at **₹69.51 crore (including GST)**, comprising hardware infrastructure, software & licensing and five-year maintenance & support services.

Key Highlights:

- **Client:** RailTel Corporation of India Limited (A Navratna PSU under the Ministry of Railways, Government of India)
- **Project:** Integrated Gate Automation System (IGAS) at Deendayal Port Authority, Kandla
- **Project Value:** ₹69.51 Crore (Incl. GST)
- **Scope of Work:** Design, Supply, Installation, Testing & Commissioning of the Integrated Gate Automation System (IGAS), along with **Operations & Maintenance for five years**.
- **Project Tenure:** 5 years from the date of the Purchase Order.

Management Commentary:

Commenting on this development, Mr. Pratik Kakadia, Chairman and Managing Director said:

"We are pleased to be selected by RailTel as the Business Associate for the Integrated Gate Automation System (IGAS) project at Deendayal Port Authority. Receiving this Provisional Letter of Intent reflects the confidence placed in Sahana System's capabilities to execute large-scale, technology-driven infrastructure projects. This engagement aligns well with our strategy of expanding our presence in digital infrastructure, smart mobility and mission-critical automation."

"The project presents an opportunity to leverage our expertise in system integration, software development and managed services to deliver a comprehensive automation solution that enhances operational efficiency and security. We remain committed to executing the project with the highest standards of quality and look forward to partnering with RailTel and Deendayal Port Authority in supporting India's digital infrastructure transformation, subject to the issuance of the formal Purchase Order and completion of the requisite approvals."

Company Overview

Sahana System Limited, established in 2013, is a pioneering force in the IT services industry. Headquartered in Ahmedabad, Gujarat, our organization specializes in delivering innovative, cutting-edge technology solutions. Our expertise encompasses Artificial Intelligence, Machine learning, Internet of Things, Business Intelligence, Blockchain, IT outsourcing and a wide range of other specialized services. With a diverse industry presence, we have a strong foothold in Defencetech, Fintech, Healthtech, Edutech and Master System Integration. This versatility enables us to cater to the unique needs of various sectors, fostering long-term partnerships with our clients.

As a CMMI Maturity Level 5 compliant and ISO-certified company (ISO 9001:2015 and ISO/IEC 27001:2013), we adhere to the highest standards of quality and operational excellence. Our commitment to customer satisfaction, coupled with an impressive track record of repeat business, drives our ambition to lead the IT and product development sectors. As a trusted partner to prominent enterprises, government and government-aided bodies, defence organizations and financial institutions, we take pride in our ability to foster collaborative relationships that drive innovation and growth.
