Sahasra Electronic Solutions begins FY27 on a strong note with 117% YoY Q1 consolidated revenue growth; Remains on track to deliver FY27 guidance and announces key strategic developments

Noida, India – July 18, 2026: Sahasra Electronic Solutions Limited ("Sahasra" or "the Company"), a leading electronics system design & manufacturing (ESDM) company with over 20 years of experience, operates across PCB assembly, EMS, semiconductor packaging, memory products and IT hardware products. With manufacturing facilities in India and a growing global presence, the company continued to strengthen its capabilities during Q1 FY27 through semiconductor expansion, capacity addition and strategic partnerships.

Key business highlights:

- Q1 FY27 **standalone revenue** stood at ₹33.0 crores, **up 61% YoY**, while **consolidated revenue** reached ₹48.0 crores, **up 117%** YoY compared with Q1 FY26
- Company's **semiconductor facility** in Bhiwadi was inaugurated by Hon'ble Chief Minister of Rajasthan **Shri Bhajan Lal Sharma**, Hon'ble Union Ministers **Shri Ashwini Vaishnaw** and **Shri Bhupender Yadav**, marking a significant milestone in its semiconductor journey
- **Installed 2 new SMT lines** at the Bhiwadi EMS facility, increasing total manufacturing capacity to **12 SMT lines** and expanding into the **FinTech** segment
- The promoters of Sahasra have entered into a **60:40 joint venture** with **UK-based UltraMax**, forming UltraMax Sahasra Energy Private Limited to manufacture **lithium battery packs and battery management systems (BMS)**
    - The JV will establish an integrated battery manufacturing facility in Bhiwadi, serving energy storage, automotive, robotics, defence and consumer electronics markets through UltraMax's global distribution network
    - The promoter-led JV id targeting a **first-year revenue of US$1 million** upon commencement of operations
    - While **currently outside SESL**, the venture **is intended to be integrated into the listed entity over time**, similar to the **ongoing amalgamation process** being undertaken by the company

FY27 outlook:

- Backed by a strong Q1 FY27 performance and a healthy order book, the company remains **on track to achieve its FY27 revenue guidance**

Note: Revenue numbers presented above are provisional and unaudited and are subject to audit

About Sahasra Electronic Solutions Limited :

Sahasra Electronic Solutions Limited ("Sahasra" or "the Company") is a leading electronics system design & manufacturing (ESDM) company with over 20 years of industry experience. The company operates across PCB assembly, electronics manufacturing services (EMS), semiconductor packaging, memory products and IT hardware through three manufacturing units in India. Backed by advanced manufacturing infrastructure, integrated digital systems and global customer support, Sahasra continues to strengthen its position in India's rapidly evolving electronics and semiconductor ecosystem.
