J'khandgears up for civic polls

STATESMAN NEWS SERVICE Ranchi, 29 October

After nearly three years of delay, the Jharkhand government is preparing to hold the long-pending Urban Local Body (ULB) elections. The move follows the Jharkhand High Court's firm stance on the prolonged absence of elected civic representatives across the

state. Officials indicated that the government may grant Cabinet approval for the polls before the next hearing on 10 November, clearing the way for the State Election Commission to issue a formal notification. District-level committees are finalising ward-wise reservation lists, which will be sent to the Commission once approved.

Jharkhand has 48 urban local body areas, including nine municipal corporations, 19 municipal councils and 20 nagar panchayats. This will be the first civic election since the implementation of the OBC "triple test" formula, which enables reservation for BC-1 and BC-2 categories. Based on the recommendations of the State Backward Class Commission, total reservation in urban bodies will not exceed 50 per cent, distributed among Scheduled Castes, Scheduled Tribes and OBC groups. The reservation of posts such as mayor and ward councillors will follow a rotational pattern.

For the past three years, these urban bodies have functioned without elected representatives, with administrative control resting solely with officials. The absence of local representatives has slowed urban governance, affecting essential services such as waste management, street lighting and water supply.

Political parties, sensing the approaching polls, have begun mobilising their cadres. The BJP has accused the government of "sleeping over" the issue until pulled up by the court. "The government ignored urban voters for years. Basic civic services have collapsed under bureaucratic control," said BJP leader Deendayal Barnwal.

The ruling Congress, however, maintains that the delay was due to legal and procedural formalities. Party general secretary Rakesh Sinha said the government had shown "a positive approach" once the OBC triple test report and the appointment of the State Election Commissioner were finalised.

Meanwhile, Congress has launched its own review. State president Keshav Mahato Kamlesh has called meetings on October 30–31 at party HQ to assess preparations across all ULBs. "Even if polls aren't on a party basis, our committed workers will contest and uphold Congress values locally," Kamlesh said.

Shah predicts landslide victory for NDA in Bihar

IMRAN MOJIB Patna, 29 October

Union Home Minister Amit Shah on Wednesday slammed the INDIA bloc for promoting dynastic politics and predicted that the NDA would sweep the upcoming Bihar Assembly polls. Addressing election rallies in Darbhanga and Samastipur, he sought to dispel confusion over the political future of Bihar Chief Minister Nitish Kumar.

"Lalu Prasad wants to make his son the chief minister and Sonia Gandhi wants to make her son the prime minister. Today, I tell both of them that neither the post of CM in Bihar nor the post of PM in Delhi is vacant. In Bihar, Nitish Kumar is the chief minister, and in Delhi, Narendra Modi is the Prime Minister," Shah said.

Addressing a rally in support of BJP candidate Maithili Thakur, Shah said: "We have given a ticket to 25-year-old Maithili Thakur despite her having no political background. Could that happen in Congress or RJD?"

He said under the leadership of Prime Minister Narendra Modi and Chief Minister Nitish Kumar, Bihar has achieved new heights in development

and good governance and is moving rapidly toward becoming a fully developed state. "Building bridges over Bihar's rivers, controlling the floods of the Kosi, channeling floodwater into farmers' fields, and respecting every poor person, these are a few important tasks that Narendra

He also mentioned the Central government's flagship schemes, such as health insurance of up to Rs 5 lakh for the poor, annual assistance of Rs 6,000 to farmers, and free ration to over 8.52 crore beneficiaries in Bihar.

The BJP leader accused Shah highlighted various the Congress and its allies of obstructing the construction of the Ram Temple in Ayodhya. "We built the magnificent Ram Lalla temple in Avodhya.

Now, we will build the Maa Janaki Temple in Sitamarhi at a cost of over Rs 882 crore," he said. Launching a scathing attack on the Congress, RJD, and other Opposition parties for allegedly ignoring terrorist attacks in the past, Shah said that Prime Minister Modi had established a new tradition
