SUB: ACCORD Healthcare, UK secures EU variation approval for Imatinib (100 mg & 400 mg) with Sakar now positioned to supply their European market

Ref: Disclosure under Regulation 30 (LODR)

Dear All,

We are happy to share that Sakar Healthcare Limited (ONCOLOGY site) located at Block No. 426, Bavla-Bagodara Highway, Village-Bavla, Ahmedabad, 382220, India has been added to manufacturing of Accord's (UK) finished product Imatinib Accord 100 mg and 400 mg film-coated tablets intended to cater the EU market.

The entire credit goes to the outstanding teamwork of Accord-Intas-Sakar who has ensured this transfer variation approval by European Medical Agency (EMA).

With these now Sakar's oncology unit has become the manufacturing source to Accord's European market spread for Imatinib 100 & 400mg tablets; which is the first of 9 Accord's oncology products to Sakar. This leap is bound to have some positive impact on the top-line sales at Sakar in coming FY with an improved capacity utilization.

Inclusion of Imatinib has now enable Sakar to prepare supplying a dozen of approved products overseas.

Thank you all for being with us in our growth path.

Yours faithfully,

FOR, SAKAR HEALTHCARE LIMITED
