Cheating and trusting..!

"Who put these two reports together?" I asked, staring at the front page of yesterday's national daily.

"A sub editor," said my neighbour.

"Give him an award!"

"For journalism?"

"For making two news reports cross examine each other!"

There they were, sharing a box. Nandan Nilekani suggesting that examination questions be generated shortly before the examination to prevent paper leaks. Beside him, the Prime Minister speaking about India as a trusted ally.

I nearly split my tea.

One report discussed how to stop people cheating. The other asked people to trust us.

What a marriage! Somewhere in that newspaper office, a subeditor had introduced the bride to the groom without checking whether they were already fighting.

"Perhaps he was saving space," said my neighbour.

"He certainly saved me the trouble of turning to the cartoons!" Imagine the conversation inside that little box.

"Trust us!" announces one report.

"Please generate the questions at the last minute!" replies the other. "We cannot trust what happens beforehand!"

"India is dependable!"

"Excellent. Now hide the examination paper until the

candidates are seated!"

Of course, Nilekani's suggestion deserves consideration. If technology can close an avenue for cheating, use it. Students who have spent months studying deserve something better than discovering that somebody else spent ten minutes buying their future.

But what a commentary on our condition that we must shorten the life of a question paper because honesty cannot apparently survive its overnight stay.

"Where will you keep the paper?" asks the examiner.

"In a strongroom."

"And the key?"

"With a trustworthy official."

"And the official?"

There is an uncomfortable silence.

Perhaps we need another strongroom.

Trust, dear reader, is a peculiar commodity. Governments can print advertisements proclaiming it, leaders can announce it from magnificent stages, and enthusiastic supporters can forward it before breakfast. Yet it stubbornly refuses to materialise merely because someone has ordered a larger microphone.

An actor can look heartbroken without losing anything. He can look honest while playing a crook. A convincing face is part of his profession.

Unfortunately, citizens sometimes

confuse a convincing performance with a trustworthy administration. "Look at his expression!" says my neighbour.

"I would rather look at the results."

"Listen to his confidence!"

"I would rather listen to the student whose examination has been cancelled."

There is nothing contradictory about wanting India to be trusted abroad while repairing its institutions at home. But the repairs must be real. Accountability must follow failure. Promises must survive beyond the speech.

Otherwise, "Trust us" becomes the political equivalent of the shopkeeper saying, "Original product, sir!" while carefully concealing the label.

Perhaps that subeditor made an innocent arrangement. Perhaps he simply had two reports and one available box.

Either way, he placed a useful examination before the government. Can you earn at home the trust you advertise abroad?

No leaked answer will help with this one. No smiling photograph will earn extra marks.

And please, gentlemen, do not ask the subeditor to rearrange the reports.

Rearrange the conduct that made them look so funny together..!

Yodhas consign Archers to 3rd straight defeat

Hyderabad, Oct 15: The last time Prithviraj Yodhas and Chero Archers met, three Sudden Death tiebreakers were needed to decide a winner. But in the reverse fixture here on Wednesday, Yodhas made light work of Chero Archers and registered a convincing 5-1 win in the Archery Premier League Season 2.

Yodhas were led by some superb 16-year-old recurve archer Gatha Anandran Khadake, who shot 58 out of a possible 60, and Asian Games compound medallist Ganesh Thirumuru (59).

With this win, Yodhas arrested their own mini slump and moved up to eight points while Chero Archers - who had started the season brightly, have now suffered three straight defeats.

The world's first franchise-based archery league, APL is initiated by the Archery Association of India and comprises six teams and a total of 48 archers, with 36 Indians and 12 elite international stars. The league, taking place at People's Plaza in Hyderabad, will culminate on October 18 with the grand finale featuring the top four teams in the semifinals, followed by

the title clash.

Carrying on from where they left off in their previous meeting, it appeared as though there would be very little to separate the two sides as they tied the first set 75-75. But the second set would slip away from Chero as Kumkum Mohod was left with little time to shoot the final arrow and she could manage only a 16, while Yodhas finished the set strongly with four 10s.

USA's Casey Kauthold then replaced Kumkum ahead of the third set and she started with a 8 that opened up a window for Yodhas, who saw Gatha step up once more with two 10s in that set.

Mathias Grande calmly closed out the set and match 77-74. On Thursday, as the league phase heads into its business end, Prithviraj Yodhas will hope to capitalize on Chola Chiefs' inconsistent form and move closer to the semifinals in the first match. Defending champions Rajputana Royals will face the red-hot Mighty Marathas in the second match and the day's action will conclude with local franchise Kakatiya Knights facing Chero Archers in what could be the match of the day.

India team leaves for world U-19 boxing

New Delhi, Oct 15: An 18-member Indian boxing contingent left for Budva, Montenegro on Wednesday morning determined to clinch medals in all weight categories they will be participating in the second edition of the World U-19 Boxing Championships 2026 and maintain their position as one of the top boxing nation in the world.

India had finished second behind England in the inaugural edition of the world championships in Pueblo, Colorado, US two years ago by clinching four gold, eight silver and five bronze for a total of 17 medals.

The Indian contingent for the second edition consists of gold and silver medallists from the Asian U-19 Boxing Championships held in Jakarta earlier this year and the winners of the selection trials conducted in other weight categories.

"We have a very strong contingent going to Montenegro and almost every player in the squad has been performing exceptionally well through out the year. I am confident that we can win a medal in most weight categories and hopefully improve our gold medal count from two years ago," said Boxing Federation of India President Ajay Singh while wishing all the luck to the contingent.

India had won two gold, eight silver and four bronze medals in the Asian U-19 championships and leading the charge in the women's category would be Asian U-19 gold medallist Prachi (57kg) along with silver medallists Jyoshree Devi Chirom (54kg), Chahat

(60kg) Anshika (75kg), Megha Sheokand (80kg) and Prachi Tokas (80 kg).

The men's squad comprises Asian U-19 silver medallist Aditya (55kg) and Divru (90kg) along with the experienced Mausam Suhaq.

Natarajan returns to SRH, Zeeshan moves to DC

Hyderabad, Oct 15: Sunrisers Hyderabad (SRH) will welcome back left-arm pacer T. Natarajan, while leg-spinner Zeeshan Ansari will join Delhi Capitals (DC) following a player trade between the two franchises, the Indian Premier League (IPL) said.

Natarajan, who represented SRH for five seasons from 2020 to 2024, returns to the franchise where he established himself as one of the most effective Indian left-arm seamers in the competition. The pacer enjoyed his most successful IPL season in 2024, claiming 19 wickets to emerge as SRH's leading wicket-taker that season and playing a crucial role in the team's run to the final.

Natarajan was acquired by DC for Rs 10.75 crore at the

Hyderabad, Oct 15: Captain Shai Hope's unbeaten century and Keemo Paul's five-wicket haul powered West Indies to a 24-run victory over India in the fourth T20 International here on Wednesday, bringing the five-match series level at 2-2.

Hope smashed an unbeaten 102 off 50 balls to propel West Indies to a formidable 247 for three after India elected to bowl. Paul then returned figures of five for 41 to derail India's chase despite aggressive half-centuries from Sanju Samson and a late counterattack by Nitish Kumar Reddy.

The result sets up a series decider at Bengaluru's Chinnaswamy Stadium, with both teams having won two matches each.

Hope anchored the West Indies innings with a commanding display of power-hitting, striking four fours and nine sixes at a strike rate of 204. His second century of the series and fourth on the tour underlined his exceptional form against India.

West Indies made a flying start, racing to 79 in the powerplay. Hope found support from opener Jewel Andrew, who scored 21 off 16 balls, before Axar Patel

trapped him leg-before-wicket.

Shimron Hetmyer then provided a burst of acceleration, hammering 33 off just 12 deliveries, including three sixes, before Prince Yadav caught and bowled him. Kumar Reddy added 24 off 17 balls but fell to Arshdeep Singh, caught by Sanju Samson. The dismissal brought little respite for India as Hope and Sherfane Rutherford took control of the closing overs.

Rutherford remained unbeaten on 49 off 26 balls, striking four fours and three sixes. The pair added an unbroken 91 runs for the fourth wicket, ensuring West Indies maintained their momentum and finished with a daunting total.

Hope reached his century in the final over with a six off Nitish Kumar Reddy, raising his bat to acknowledge the applause from the crowd and his teammates.

India began their chase aggressively, with Samson and Abhishek Sharma putting the hosts in a strong position during the powerplay. Samson, particularly destructive, reaching his half-century in just 20 balls as India raced to 80 without loss.

Samson eventually made 56 off 23 balls,

hitting six fours and four sixes, before Keemo Paul dismissed him with Hetmyer taking the catch. Paul struck again soon afterwards, removing Ishan Kishan for six, and West Indies began to claw their way back into the contest. Abhishek Sharma contributed 29 off 24 balls before falling to Gudakesh Motie. Motie then removed Naman Dhir for a golden duck, caught behind by Hope, leaving India under pressure after their promising start.

Shreyas Iyer made 16 off 11 balls before being dismissed by Shamar Springer, while Tilak Varma attempted to rebuild the innings with an attacking 43 off 25 deliveries.

Tilak's innings included two fours and three sixes, but he fell to Romario Shepherd caught by Powell. With the asking rate climbing, Nitish Kumar Reddy launched a counterattack that briefly revived India's hopes.

Nitish scored 41 off 20 balls, hitting a four and four sixes. He took on the West Indies bowlers in the closing overs, including striking Shamar Springer for boundaries and clearing the ropes against Paul.

However, Paul's return proved decisive. He dismissed Nitish, bowled Prince Yadav for a duck

and then removed Axar Patel for three in the 19th over, completing a five-wicket haul that effectively ended India's chase.

Arshdeep Singh struck a boundary late in the innings, but India could not bridge the gap and

finished 230 all out in 19.4 overs, falling 24 runs short of the target. India pacer Arshdeep Singh retired hurt in an unfortunate end unable to continue batting after experiencing pain against Shamar Joseph.
