SUB: INTIMATION UNDER REG 30 OF SEBI (LODR) REGULATIONS, 2015 - IMPACT ON COMPANY'S OPERATIONS DUE TO DISRUPTION IN LPG SUPPLY (FORCE MAJEURE SITUATION)

Dear Sir/Madam,

Pursuant to Regulation 30 read with Para B of Part A to Schedule III of the SEBI Listing Regulations, we hereby inform you that the Company is currently experiencing a restriction in the supply of LPG due to a force majeure situation arising from the ongoing conflict in the Middle East and its consequent impact on global fuel supply.

Due to the aforesaid disruption in LPG supply, the Company's production activities, delivery of materials, and EPC business operations have been adversely impacted. Further, the ongoing conflict in the Gulf region is also affecting the export of the Company's products to that region.

The Company is actively coordinating with Oil Marketing Companies (OMCs) and the relevant government authorities to secure the supply of LPG, which is essential for production, to ensure continuity of production activities to the extent feasible. We are evaluating the impact arising from the ongoing disruption in the supply of LPG. The Company is actively monitoring the situation and will continue to update the stock exchanges with any material developments in this regard.

The details, as required under Regulation 30 of the Listing Regulations, read with SEBI's Master Circular updated as on January 30, 2026, are provided in **Annexure - A**.

You are requested to kindly take the same on record.

Yours faithfully,

For Salasar Techno Engineering Limited
