Taken to court by L&T, MMRDA says scrapping tenders for mega infra projects

EXPRESS NEWS SERVICE
 MUMBAI, NEW DELHI MAY 30

TAKEN TO COURT by Larsen & Toubro (L&T) Ltd which said it had been kept in the dark about the status of bids for two projects worth Rs. 14,000 crore — the Thane-Godhunder tunnel — to Bhayander tunnel and elevated road — the Mumbai Metro project — the Mumbai Metropolitan Region Development Authority (MMRDA) informed the Supreme Court Friday that it had scrapped the tender process. In the larger public interest, and fresh tenders would be issued in due course.

Senior Advocate Mukul Rohatgi, appearing for MMRDA, told the bench of Chief Justice of India B.R. Gavaia and Justices A.G. Mashil and A.S. Chandurkar: "We have decided to scrap the two tenders. The government will decide what they want to do."

Taking the MMRDA statement on record, the bench disposed of L&T's pleas against the May 20 order of Bombay High Court as "infructuous". A vacation bench of the High Court had denied relief to L&T as its pleas challenging the opening of financial bids for the two projects.

"Solicitor General Tushar Mehta and Senior Advocate Mukul Rohatgi appearing for MMRDA fairly state that the state (MMRDA) has decided to scrap the entire tender process in the larger public interest and take such steps as are advised. In that view of the matter, the petition is rendered infructuous and disposed of as infructuous," the bench said in its order.

L&T had claimed that it did not receive any intimation about the status of the bids, while other bidders had received the same. It said MMRDA had initiated the opening of the financial bids by excluding L&T from the process.

Senior Advocate Kapil Sibal, Abhishek Singhvi, Ranjit Kumar, Neeraj Kishan Kaul, and Advocate Raunak Dhillion,

The two projects are part of an extension of the Mumbai Coastal Road project.

Madhavi Khanna and Nihad Dewan appeared for L&T.

The two projects are proposed to link Thane and Mira-Bhayander. One of the projects consists of a 5-km twin tunnel of 14.6-metre diameter from Gaimkurt to Fountain Hotel Junction at Shilphata, worth Rs 8,000 crore.

The other project, an elevated creek road bridge of 9.8 km, estimated to cost nearly Rs 6,000 crore, will connect Bhayander with Godhunder Road in Thane.

The two projects are part of an extension of the Mumbai Coastal Road project and the elevated bridge is likely to be the last project to be completed after the Mumbai Trans Harbour Link (MTHL) bridge, also called ATL Sea. The MMRDA decision to scrap the tender process came after the Supreme Court on May 26 and May 29 asked the authority whether it was willing to carry out a re-tendering process for the two major projects. It warned that failure to do so may lead to the court staying the tenders. The Supreme Court had said it was difficult to comprehend that technical bids of L&T, the company selected to execute the Central Vista Project in Delhi, had been rejected for the projects linking Thane and Bhayander.
