Dear Sir/Madam,

Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Approval for setting up 20 TPD Compressed Biogas Plants under AP Integrated Clean Energy Policy 2024.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), we hereby inform that the Government of Andhra Pradesh, vide **G.O.Ms.No.54, Energy (Power-II) Department, dated June 30, 2026**, has accorded approval to the proposal filed by *Samay BioCNG Chittoor Private Limited*, wholly-owned subsidiary of Samay Project Services Limited, for setting up Compressed Biogas Plants.

As per the said Government Order, the following approvals have been granted:

1. Establishment of **20 TPD Compressed Biogas Plants**, comprising:
 - 10 TPD CBG Plant at *Perumalla Kandriga Village, Chittoor Mandal, Chittoor District*
 - 10 TPD CBG Plant at *Baitapalli Village, Puthalapattu Mandal, Chittoor District* under the Andhra Pradesh Integrated Clean Energy Policy, 2024.
2. Extension of incentives as per the provisions of the AP Integrated Clean Energy Policy, 2024.
3. Payment of all applicable fees and charges by M/s. Samay BioCNG Chittoor Private Limited in accordance with the Policy.
4. Consideration of eligible grants, if any, from MNRE/Central Government, subject to the policies of Government of India, without any financial commitment from Government of Andhra Pradesh.

5. Completion of the project within 24 months as per the provisions of the Policy.

The copy of the Government Order is enclosed herewith for your records.

Kindly acknowledge and take the same on record.

Thanking you,

Yours faithfully,

For **Samay Project Services Limited**

(Formerly known as Samay Project Services Private Limited)

ORDER:

Whereas, Government focused on creation of green economy and thriving ecosystem for Integrated Clean Energy across the value chain, through a robust framework to attract investments, thereby contributing to India's Renewable Energy growth and driving action in mitigating climate change.

2. And whereas, to achieve the national objective of "Net Zero" emissions and to position Andhra Pradesh as a Clean Energy Hub and to contribute towards self-economic reliance, the Government has notified the "Andhra Pradesh Integrated Clean Energy Policy, 2024" in the Government order 1st read above, which envisages addition of over 160 GW of Renewable Energy capacity, with a potential to attract investments worth approximately Rs.10,00,000 Crores, thereby generating an estimated employment for about 7,50,000 persons (direct and indirect); and also issued certain amendments to the Andhra Pradesh Integrated Clean Energy Policy, 2024 in the Government order 2nd read above.

3. And whereas, under the provisions of the said policy, both large-scale and decentralized Renewable Energy generation are to be promoted across the State;

4. And whereas, the State of Andhra Pradesh, an agrarian economy with 62% of its population dependent on agriculture, has significant potential for biofuel production owing to the prospective increase in agricultural commodities such as sugarcane, broken rice, maize, sugar beet, sweet sorghum, corn, and cassava etc., along with initiatives like "Clean Andhra Pradesh (CLAP)" that strengthen waste management through public participation, thereby creating substantial scope for establishing biofuel plants including bioethanol, biodiesel, and bio-CNG/Compressed Biogas (CBG); and whereas, being one of the top crude oil consuming states, Andhra Pradesh has immense potential to contribute to national blending targets for petrol and diesel; and whereas, in alignment with

Government of India's vision to enhance the use of biofuels in the energy and transportation sectors, the Government of Andhra Pradesh has notified this policy to promote production and attract investors in biofuel industries such as ethanol and bioCNG/CBG in the State.

5. And whereas, the Vice Chairman & Managing Director, New & Renewable Energy Development Corporation of Andhra Pradesh has informed that M/s. Samay Bio-CNG Chittoor Private Limited has submitted a proposal for setting up 10 TPD Compressed Biogas Plant at Perumalla Kandriga (V), Chittoor Mandal and 10 TPD Compressed Biogas Plant at Baitapalli Village, Puthalapattu Mandal in Chittoor District; and the VC&MD, NREDCAP has accordingly furnished detailed remarks on the said proposal vide reference 3rd read above.

6. Accordingly, the proposal of M/s. Samay Bio-CNG Chittoor Private Limited received from the Vice Chairman & Managing Director, New & Renewable Energy Development Corporation of Andhra Pradesh (NREDCAP) was placed before State Investment Promotion Board (SIPB) meeting held on dt: 18-06-2026 with recommendations of the State Investment Promotion Committee in its meeting held on 27-05-2026.

7. Accordingly, the SIPB after detailed discussion, has agreed the following: -

- I. for establishing 20 TPD Compressed Biogas plants comprising of 10 TPD CBG plant at Perumalla Kandriga Village, Chittoor Mandal, Chittoor District and 10 TPD CBG Plant at Baitapalli Village, Puthalapattu Mandal, Chittoor District to M/s. Samay BioCNG Chittoor Private Limited under AP Integrated Clean Energy Policy 2024.
- II. to extend incentives as per AP Integrated Clean Energy Policy 2024.

8. Now, therefore, after careful examination of the proposal of M/s. Samay Bio-CNG Chittoor Private Limited and the recommendations of the State Investment Promotion Board, the Government hereby accord approval and issue the following orders: -

- I. for establishing 20 TPD Compressed Biogas plants comprising of 10 TPD CBG plant at Perumalla Kandriga Village, Chittoor Mandal, Chittoor District and 10 TPD CBG Plant at Baitapalli Village, Puthalapattu Mandal, Chittoor District to M/s. Samay Bio CNG Chittoor Private Limited under AP Integrated Clean Energy Policy 2024.
- II. to extend incentives as per AP Integrated Clean Energy Policy 2024.
- III. All fees and charges as per the AP Integrated Clean Energy Policy 2024 shall be paid by M/s. Samay BioCNG Chittoor Private Limited.
- IV. Eligible grants if any from MNRE/ Central Government may be considered for extending to the proposed project as per the policies of Government of India without any financial commitment from Govt. of AP.
- V. The project shall be completed within 24 months as per the provisions of AP Integrated Clean Energy Policy 2024.

9. The Revenue Department/Industries & Commerce/APTRANSCO/concerned DISCOM shall take necessary action accordingly pertain to their issues.

10. The Vice Chairman & Managing Director, New and Renewable Energy Development Corporation of Andhra Pradesh, Tadepalli shall take further necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
