TURNING THE HEAT ON POLL PANEL CHIEF

flydubai pilot tells PM: Did not want to let others die

PRESS TRUST OF INDIA
New Delhi, October 2

“I WAS FIGHTING for my life, but I was determined not to let others die,” flydubai Captain Smit Machchhar told Prime Minister Narendra Modi on Friday while recounting the terrifying moments after being attacked by his co-pilot mid-air but still managing to save the aircraft. Modi spoke over the phone to the pilot, who is currently undergoing treatment at a hospital in the UAE.

Machchhar, who was stabbed and seriously injured by his co-pilot in the cockpit of flydubai flight FZ1073 while travelling from Dubai to Tel Aviv on Wednesday, gave a detailed account of the incident to the prime minister during the video call. Modi lauded the pilot’s bravery, presence of mind and composure, and said Machchhar took a split-second decision that saved the lives of so many people.

Machchhar shared that whenever he faces difficulty, he recites the Hanuman Chalisa, a hymn devoted to Lord Hanuman. “I was lying on the floor (of the cockpit) injured. With whatever energy that was left with me, I managed to act properly and saved the plane,” the pilot said. “I was fighting for my life, but I was determined not to let others die. It was such a crucial moment. There was a moment when I realised that if I don’t do

something —because I was lying on the ground (in cockpit), I could feel that the aircraft was going down,” he said.

Machchhar said he was repeatedly beaten and sustained multiple injuries, but he told himself that he had to get up and act. “At that time, I thought if I don’t get up... I have been flying planes for 17 years, I have been a Captain for the last 11 years, and I know what is happening in an aircraft even with my eyes closed. When I was lying down below, I knew for a fact that if I could make one last push — the

door was right there. Even while I was still taking blows, I could just open the door,” he said.

Modi told Machchhar that the country can proudly say that Indians are not those who take lives, but those who are willing to risk their lives to save others.

“At that time, you received so many injuries and were engaged in a fight of life and death. But you ignored your own safety and were concerned about the safety of the passengers. You have enhanced the honour of 140 crore Indians. I feel proud from the bottom of my heart,” he said.

India races to Asiad top-5 with six gold medals

AJAI MASAND & PHILEM DIPAK SINGH
Nagoya, October 2

THE WOMEN’S HOCKEY team’s perseverance earned it a long-awaited gold as well as Olympic qualification, while boxers, archers and wrestler Sujet Kalkal also exceeded expectations as India surged into the Asian Games top-five with a brilliant six-gold haul on the penultimate day of competitions here on Friday.

India is now at the sole fifth position with 76 medals, including 16 gold, 25 silver and 35 bronze. India seems to be heading for a strong finish if the Friday show is any indication.

It was the end of a 44-year wait in women’s hockey when India defeated defending champions China 1-0 in the final to secure the gold as well as a direct qualification to the 2028 Los Angeles Games.

Lalmremsiami’s 10th minute strike was enough to close the day as brilliantly as it started when the women’s recurve archery team clinched its maiden Asiad gold by shocking 10-time Olympic champions South Korea in the final.

The recurve trio of Ankita Bhakat, Kirti Sharma and 17-year-old Kumkum Mohod produced a composed performance under challenging conditions to stun the Koreans 5-3.

(Top) Indian women’s hockey team celebrates its victory over China in the Asian Games final, and in the process, qualifying for the 2028 Los Angeles Olympics; Gold medalist Lovlina Borgohain poses after winning the women’s 75kg boxing final at the 20th Asian Games, in Nishio, Aichi, Japan, on Friday

In between, Indian boxers were quite literally the ‘Lords of the Ring’ as Lovlina Borgohain (75kg), celebrating her 29th birthday, Parveen Hooda (65kg) and Ankush Panghal (80kg) outwitted higher-rated opponents to ensure three gold medals.

It was the best gold haul in Asiad boxing by India and can easily be considered the among the best performances of all time by the country’s boxing contingent.

Sujet’s detremination on the wrestling mat was exemplary as he took the men’s 65kg category gold, defeating an Olympic champion en route to

the title and erasing a massive 2-9 deficit in the final.

Adding to the joy were the silver medals claimed by mixed and men’s recurve archery teams and bronze medals from sailor Nethra Kumanan in women’s dinghy and the men’s quadrant team in sepak-takraw.

The late surge in the Games has bolstered India’s overall campaign that had looked patchy due to the under-performance in disciplines such as shooting and badminton. The latter was particularly disappointing for failing to deliver beyond a men’s team bronze this time.

India renames 28 Ladakh sites

SUDHI RANJAN SEN
October 2

INDIA RENAMED 28 places and geographical features in the northern territory of Ladakh, asserting its claims in a disputed region where the border with China has repeatedly strained ties between the Asian neighbours.

The locations — including peaks, mountains, glaciers, passes, valleys and land areas — were formally identified on official Survey of India maps, the home ministry said in a statement on Friday. The government said the exercise, carried out in consultation with the Ladakh administration, was aimed at standardising the names of the places and facilitating their accurate recognition and greater public awareness.

Some of the locations are in territory claimed by India but controlled by China, making the move particularly sensitive as the two sides seek to stabilise ties after years of tensions over the border.

The cartographic move comes more than six years after a deadly border clash in Ladakh that killed 20 Indian and at least four Chinese soldiers in June 2020. India subsequently imposed additional curbs on Chinese investments following the confrontation.

Relations have since gradually stabilised. Prime Minister Narendra Modi and Chinese President Xi Jinping last month welcomed “steady progress” in

Boundary negotiators have meanwhile agreed to pursue an “early and substantial harvest” of delimitation, according to an August statement.

In a similar exercise in August, India renamed 27 places and geographical features in Arunachal Pradesh, a northeastern region also claimed by China.

૧૯૩૦ની ઐતિહાસિક દાંડીકૂચ દરમિયાન પૂજ્ય બાપુએ ભટગામ પ્રાથમિક શાળામાં રાત્રિ રોકાણ કર્યું

flydubai pilot tells PM: Did not want to let others die

PRESS TRUST OF INDIA
New Delhi, October 2

“I WAS FIGHTING for my life, but I was determined not to let others die,” flydubai Captain Smit Machchhar told Prime Minister Narendra Modi on Friday while recounting the terrifying moments after being attacked by his co-pilot mid-air but still managing to save the aircraft. Modi spoke over the phone to the pilot, who is currently undergoing treatment at a hospital in the UAE.

Machchhar, who was stabbed and seriously injured by his co-pilot in the cockpit of flydubai flight FZ1073 while travelling from Dubai to Tel Aviv on Wednesday, gave a detailed account of the incident to the prime minister during the video call. Modi lauded the pilot’s bravery, presence of mind and composure, and said Machchhar took a split-second decision that saved the lives of so many people.

Machchhar shared that whenever he faces difficulty, he recites the Hanuman Chalisa, a hymn devoted to Lord Hanuman. “I was lying on the floor (of the cockpit) injured. With whatever energy that was left with me, I managed to act properly and saved the plane,” the pilot said. “I was fighting for my life, but I was determined not to let others die. It was such a crucial moment. There was a moment when I realised that if I don’t do

something—because I was lying on the ground (in cockpit), I could feel that the aircraft was going down,” he said.

Machchhar said he was repeatedly beaten and sustained multiple injuries, but he told himself that he had to get up and act. “At that time, I thought if I don’t get up... I have been flying planes for 17 years, I have been a Captain for the last 11 years, and I know what is happening in an aircraft even with my eyes closed. When I was lying down below, I knew for a fact that if I could make one last push—the

door was right there. Even while I was still taking blows, I could just open the door,” he said.

Modi told Machchhar that the country can proudly say that Indians are not those who take lives, but those who are willing to risk their lives to save others. “At that time, you received so many injuries and were engaged in a fight of life and death. But you ignored your own safety and were concerned about the safety of the passengers. You have enhanced the honour of 140 crore Indians. I feel proud from the bottom of my heart,” he said.

India races to Asiad top-5 with six gold medals

AJAI MASAND & PHILEN DIPAK SINGH
Nagoya, October 2

THE WOMEN’S HOCKEY team’s perseverance earned it a long-awaited gold as well as Olympic qualification, while boxers, archers and wrestler Sajeet Kalkal also exceeded expectations as India surged into the Asian Games top-five with a brilliant six-gold haul on the penultimate day of competitions here on Friday.

India is now at the sole fifth position with 76 medals, including 16 gold, 25 silver and 35 bronze. India seems to be heading for a strong finish if the Friday show is any indication.

It was the end of a 44-year wait in women’s hockey when India defeated defending champions China 1-0 in the final to secure the gold as well as a direct qualification to the 2028 Los Angeles Games.

Lalmremsiam’s 10th minute strike was enough to close the day as brilliantly as it started when the women’s recurve archery team clinched its maiden Asiad gold by shocking 10-time Olympic champions South Korea in the final.

The recurve trio of Anika Bhakat, Kirti Sharma and 17-year-old Kumkum Mohod produced a composed performance under challenging conditions to stun the Koreans 5-3.

(Top) Indian women’s hockey team celebrates its victory over China in the Asian Games final, and in the process, qualifying for the 2028 Los Angeles Olympics; Gold medalist Lovlina Borgohain poses after winning the women’s 75kg boxing final at the 20th Asian Games, in Nishio, Aichi, Japan, on Friday

In between, Indian boxers were quite literally the Lords of the Ring as Lovlina Borgohain (75kg), celebrating her 20th birthday, Parveen Hooda (65kg) and Ankush Panghal (80kg) outwitted higher-rated opponents to ensure three gold medals.

It was the best gold haul in Asiad boxing by India and can easily be considered the among the best performances of all time by the country’s boxing contingent.

Sujeet’s detremation on the wrestling mat was exemplary as he took the men’s 65kg category gold, defeating an Olympic champion en route to

the title and erasing a massive 2-9 deficit in the final.

Adding to the joy were the silver medals claimed by mixed and men’s recurve archery teams and bronze medals from sailor Nethra Kumanan in women’s dinghy and the men’s quadrant team in sepak-takraw.

The late surge in the Games has bolstered India’s overall campaign that had looked patchy due to the under-performance in disciplines such as shooting and badminton. The latter was particularly disappointing for failing to deliver beyond a men’s team bronze this time.

India renames 28 Ladakh sites

BORDER CLAIMS

INDIA RENAMED 28 places and geographical features in the northern territory of Ladakh, asserting its claims in a disputed region where the border with China has repeatedly strained ties between the Asian neighbours.

The locations—including peaks, mountains, glaciers, passes, valleys and land areas—were formally identified on official Survey of India maps, the home ministry said in a statement on Friday. The government said the exercise, carried out in consultation with the Ladakh administration, was aimed at standardising the names of the places and facilitating their accurate recognition and greater public awareness.

Some of the locations are in territory claimed by India but controlled by China, making the move particularly sensitive as the two sides seek to stabilise ties after years of tensions over the border.

The cartographic move comes more than six years after a deadly border clash in Ladakh that killed 20 Indian and at least four Chinese soldiers in June 2020. India subsequently imposed additional curbs on Chinese investments following the confrontation.

Relations have since gradually stabilised. Prime Minister Narendra Modi and Chinese President Xi Jinping last month welcomed “steady progress” in

bilateral ties and reiterated that differences should not become disputes. Modi also stressed that peace along the border remained essential to the broader relationship. Boundary negotiators have meanwhile agreed to pursue an “early and substantial harvest” of delimitation, according to an August statement.

In a similar exercise in August, India renamed 27 places and geographical features in Arunachal Pradesh, a northeastern region also claimed by China.

flydubai pilot tells PM: Did not want to let others die

PRESS TRUST OF INDIA
New Delhi, October 2

“I WAS FIGHTING for my life, but I was determined not to let others die,” flydubai Captain Smit Machchhar told Prime Minister Narendra Modi on Friday while recounting the terrifying moments after being attacked by his co-pilot mid-air but still managing to save the aircraft. Modi spoke over the phone to the pilot, who is currently undergoing treatment at a hospital in the UAE.

Machchhar, who was stabbed and seriously injured by his co-pilot in the cockpit of flydubai flight FZ1073 while travelling from Dubai to Tel Aviv on Wednesday, gave a detailed account of the incident to the prime minister during the video call. Modi lauded the pilot’s bravery, presence of mind and composure, and said Machchhar took a split-second decision that saved the lives of so many people.

Machchhar shared that whenever he faces difficulty, he recites the Hanuman Chalisa, a hymn devoted to Lord Hanuman. “I was lying on the floor (of the cockpit) injured. With whatever energy that was left with me, I managed to act properly and saved the plane,” the pilot said. “I was fighting for my life, but I was determined not to let others die. It was such a crucial moment. There was a moment when I realised that if I don’t do

PRIME MINISTER

something —because I was lying on the ground (in cockpit), I could feel that the aircraft was going down,”he said. Machchhar said he was repeatedly beaten and sustained multiple injuries, but he told himself that he had to get up and act. “At that time, I thought if I don’t get up... I have been flying planes for 17 years, I have been a Captain for the last 11 years, and I know what is happening in an aircraft even with my eyes closed. When I was lying down below, I knew for a fact that if I could make one last push — the

door was right there. Even while I was still taking blows, I could just open the door,” he said. Modi told Machchhar that the country can proudly say that Indians are not those who take lives, but those who are willing to risk their lives to save others. “At that time, you received so many injuries and were engaged in a fight of life and death. But you ignored your own safety and were concerned about the safety of the passengers. You have enhanced the honour of 140 crore Indians. I feel proud from the bottom of my heart,” he said.

India races to Asiad top-5 with six gold medals

AJAI MASAND & PHILEM DIPAK SINGH
Nagoya, October 2

THE WOMEN’S HOCKEY team’s perseverance earned it a long-awaited gold as well as Olympic qualification, while boxers, archers and wrestler Sujet Kalkal also exceeded expectations as India surged into the Asian Games top-five with a brilliant six-gold haul on the penultimate day of competitions here on Friday.

India is now at the sole fifth position with 76 medals, including 16 gold, 25 silver and 35 bronze. India seems to be heading for a strong finish if the Friday show is any indication.

It was the end of a 44-year wait in women’s hockey when India defeated defending champions China 1-0 in the final to secure the gold as well as a direct qualification to the 2028 Los Angeles Games.

Lalmremsiami’s 10th minute strike was enough to close the day as brilliantly as it started when the women’s recurve archery team clinched its maiden Asiad gold by shocking 10-time Olympic champions South Korea in the final.

The recurve trio of Ankita Bhakat, Kirti Sharma and 17-year-old Kunkum Mohod produced a composed performance under challenging conditions to stun the Koreans 5-3.

(Top) Indian women’s hockey team celebrates its victory over China in the Asian Games final, and in the process, qualifying for the 2028 Los Angeles Olympics; Gold medallist Lovlina Borgohain poses after winning the women’s 75kg boxing final at the 20th Asian Games, in Nishio, Aichi, Japan, on Friday

In between, Indian boxers were quite literally the ‘Lords of the Ring’ as Lovlina Borgohain (75kg), celebrating her 29th birthday, Parveen Hooda (65kg) and Ankush Panghal (80kg) outwitted higher-rated opponents to ensure three gold medals.

It was the best gold haul in Asiad boxing by India and can easily be considered the among the best performances of all time by the country’s boxing contingent.

Sujet’s detremination on the wrestling mat was exemplary as he took the men’s 65kg category gold, defeating an Olympic champion en route to

the title and erasing a massive 2-9 deficit in the final.

Adding to the joy were the silver medals claimed by mixed and men’s recurve archery teams and bronze medals from sailor Nethra Kumanan in women’s dinghy and the men’s quadrant team in sepak-takraw.

The late surge in the Games has bolstered India’s overall campaign that had looked patchy due to the under-performance in disciplines such as shooting and badminton. The latter was particularly disappointing for failing to deliver beyond a men’s team bronze this time.

India renames 28 Ladakh sites

SUDHI RANJAN SEN
October 2

INDIA RENAMED 28 places and geographical features in the northern territory of Ladakh, asserting its claims in a disputed region where the border with China has repeatedly strained ties between the Asian neighbours.

The locations — including peaks, mountains, glaciers, passes, valleys and land areas — were formally identified on official Survey of India maps, the home ministry said in a statement on Friday. The government said the exercise, carried out in consultation with the Ladakh administration, was aimed at standardising the names of the places and facilitating their accurate recognition and greater public awareness.

Some of the locations are in territory claimed by India but controlled by China, making the move particularly sensitive as the two sides seek to stabilise ties after years of tensions over the border.

The cartographic move comes more than six years after a deadly border clash in Ladakh that killed 20 Indian and at least four Chinese soldiers in June 2020. India subsequently imposed additional curbs on Chinese investments following the confrontation.

Relations have since gradually stabilised. Prime Minister Narendra Modi and Chinese President Xi Jinping last month welcomed “steady progress” in

flydubai pilot tells PM: Did not want to let others die

PRESS TRUST OF INDIA
New Delhi, October 2

“I WAS FIGHTING for my life, but I was determined not to let others die,” flydubai Captain Smit Machchhar told Prime Minister Narendra Modi on Friday while recounting the terrifying moments after being attacked by his co-pilot mid-air but still managing to save the aircraft. Modi spoke over the phone to the pilot, who is currently undergoing treatment at a hospital in the UAE.

Machchhar, who was stabbed and seriously injured by his co-pilot in the cockpit of flydubai flight FZ1073 while travelling from Dubai to Tel Aviv on Wednesday, gave a detailed account of the incident to the prime minister during the video call. Modi lauded the pilot’s bravery, presence of mind and composure, and said Machchhar took a split-second decision that saved the lives of so many people.

Machchhar shared that whenever he faces difficulty, he recites the Hanuman Chalisa, a hymn devoted to Lord Hanuman. “I was lying on the floor (of the cockpit) injured. With whatever energy that was left with me, I managed to act properly and saved the plane,” the pilot said. “I was fighting for my life, but I was determined not to let others die. It was such a crucial moment. There was a moment when I realised that if I don’t do

something —because I was lying on the ground (in cockpit), I could feel that the aircraft was going down,” he said.

Machchhar said he was repeatedly beaten and sustained multiple injuries, but he told himself that he had to get up and act. “At that time, I thought if I don’t get up... I have been flying planes for 17 years, I have been a Captain for the last 11 years, and I know what is happening in an aircraft even with my eyes closed. When I was lying down below, I knew for a fact that if I could make one last push — the

door was right there. Even while I was still taking blows, I could just open the door,” he said.

Modi told Machchhar that the country can proudly say that Indians are not those who take lives, but those who are willing to risk their lives to save others.

“At that time, you received so many injuries and were engaged in a fight of life and death. But you ignored your own safety and were concerned about the safety of the passengers. You have enhanced the honour of 140 crore Indians. I feel proud from the bottom of my heart,” he said.

India races to Asiad top-5 with six gold medals

AJAI MASAND & PHILEM DIPAK SINGH
Nagoya, October 2

THE WOMEN’S HOCKEY team’s perseverance earned it a long-awaited gold as well as Olympic qualification, while boxers, archers and wrestler Sujet Kalkal also exceeded expectations as India surged into the Asian Games top-five with a brilliant six-gold haul on the penultimate day of competitions here on Friday.

India is now at the sole fifth position with 76 medals, including 16 gold, 25 silver and 35 bronze. India seems to be heading for a strong finish if the Friday show is any indication.

It was the end of a 44-year wait in women’s hockey when India defeated defending champions China 1-0 in the final to secure the gold as well as a direct qualification to the 2028 Los Angeles Games.

Lalmremsiami’s 10th minute strike was enough to close the day as brilliantly as it started when the women’s recurve archery team clinched its maiden Asiad gold by shocking 10-time Olympic champions South Korea in the final.

The recurve trio of Ankita Bhakat, Kirti Sharma and 17-year-old Kumkum Mohod produced a composed performance under challenging conditions to stun the Koreans 5-3.

(Top) Indian women's hockey team celebrates its victory over China in the Asian Games final, and in the process, qualifying for the 2028 Los Angeles Olympics; Gold medalist Lovlina Borgohain poses after winning the women's 75kg boxing final at the 20th Asian Games, in Nishio, Aichi, Japan, on Friday

In between, Indian boxers were quite literally the ‘Lords of the Ring’ as Lovlina Borgohain (75kg), celebrating her 29th birthday, Parveen Hooda (65kg) and Ankush Panghal (80kg) outwitted higher-rated opponents to ensure three gold medals.

It was the best gold haul in Asiad boxing by India and can easily be considered the among the best performances of all time by the country’s boxing contingent.

Sujet’s detremination on the wrestling mat was exemplary as he took the men’s 65kg category gold, defeating an Olympic champion en route to

the title and erasing a massive 2-9 deficit in the final.

Adding to the joy were the silver medals claimed by mixed and men’s recurve archery teams and bronze medals from sailor Nethra Kumanan in women’s dinghy and the men’s quadrant team in sepak-takraw.

The late surge in the Games has bolstered India’s overall campaign that had looked patchy due to the under-performance in disciplines such as shooting and badminton. The latter was particularly disappointing for failing to deliver beyond a men’s team bronze this time.

flydubai pilot tells PM: Did not want to let others die

PRESS TRUST OF INDIA
New Delhi, October 2

“I WAS FIGHTING for my life, but I was determined not to let others die,” flydubai Captain Smit Machchhar told Prime Minister Narendra Modi on Friday while recounting the terrifying moments after being attacked by his co-pilot mid-air but still managing to save the aircraft. Modi spoke over the phone to the pilot, who is currently undergoing treatment at a hospital in the UAE.

Machchhar, who was stabbed and seriously injured by his co-pilot in the cockpit of flydubai flight FZ1073 while travelling from Dubai to Tel Aviv on Wednesday, gave a detailed account of the incident to the prime minister during the video call. Modi lauded the pilot’s bravery, presence of mind and composure, and said Machchhar took a split-second decision that saved the lives of so many people.

Machchhar shared that whenever he faces difficulty, he recites the Hanuman Chalisa, a hymn devoted to Lord Hanuman. “I was lying on the floor (of the cockpit) injured. With whatever energy that was left with me, I managed to act properly and saved the plane,” the pilot said. “I was fighting for my life, but I was determined not to let others die. It was such a crucial moment. There was a moment when I realised that if I don’t do

Because I was lying on the ground (in cockpit), I could feel that the aircraft was going down

NARENDRA MODI, PRIME MINISTER

You have enhanced the honour of 140 crore Indians. I feel proud from the bottom of my heart

something —because I was lying on the ground (in cockpit), I could feel that the aircraft was going down,” he said.

Machchhar said he was repeatedly beaten and sustained multiple injuries, but he told himself that he had to get up and act. “At that time, I thought if I don’t get up... I have been flying planes for 17 years, I have been a Captain for the last 11 years, and I know what is happening in an aircraft even with my eyes closed. When I was lying down below, I knew for a fact that if I could make one last push — the

door was right there. Even while I was still taking blows, I could just open the door,” he said.

Modi told Machchhar that the country can proudly say that Indians are not those who take lives, but those who are willing to risk their lives to save others.

“At that time, you received so many injuries and were engaged in a fight of life and death. But you ignored your own safety and were concerned about the safety of the passengers. You have enhanced the honour of 140 crore Indians. I feel proud from the bottom of my heart,” he said.

India races to Asiad top-5 with six gold medals

AJAI MASAND & PHILEM DIPAK SINGH
Nagoya, October 2

THE WOMEN’S HOCKEY team’s perseverance earned it a long-awaited gold as well as Olympic qualification, while boxers, archers and wrestler Sujeet Kalkal also exceeded expectations as India surged into the Asian Games top-five with a brilliant six-gold haul on the penultimate day of competitions here on Friday.

India is now at the sole fifth position with 76 medals, including 16 gold, 25 silver and 35 bronze. India seems to be heading for a strong finish if the Friday show is any indication.

It was the end of a 44-year wait in women’s hockey when India defeated defending champions China 1-0 in the final to secure the gold as well as a direct qualification to the 2028 Los Angeles Games.

Lalmremsiami’s 10th minute strike was enough to close the day as brilliantly as it started when the women’s recurve archery team clinched its maiden Asiad gold by shocking 10-time Olympic champions South Korea in the final.

The recurve trio of Ankita Bhakat, Kirti Sharma and 17-year-old Kumkum Mohod produced a composed performance under challenging conditions to stun the Koreans 5-3.

(Top) Indian women’s hockey team celebrates its victory over China in the Asian Games final, and in the process, qualifying for the 2028 Los Angeles Olympics; Gold medalist Lovlina Borgohain poses after winning the women’s 75kg boxing final at the 20th Asian Games, in Nishio, Aichi, Japan, on Friday

In between, Indian boxers were quite literally the ‘Lords of the Ring’ as Lovlina Borgohain (75kg), celebrating her 29th birthday, Parveen Hooda (65kg) and Ankush Panghal (80kg) outwitted higher-rated opponents to ensure three gold medals.

It was the best gold haul in Asiad boxing by India and can easily be considered the among the best performances of all time by the country’s boxing contingent.

Sujeet’s detremination on the wrestling mat was exemplary as he took the men’s 65kg category gold, defeating an Olympic champion en route to

the title and erasing a massive 2-9 deficit in the final.

Adding to the joy were the silver medals claimed by mixed and men’s recurve archery teams and bronze medals from sailor Nethra Kumanan in women’s dinghy and the men’s quadrant team in sepak-takraw.

The late surge in the Games has bolstered India’s overall campaign that had looked patchy due to the under-performance in disciplines such as shooting and badminton. The latter was particularly disappointing for failing to deliver beyond a men’s team bronze this time.

BORDER CLAIMS

■ Peaks, mountains, glaciers

passes, valleys have been given new names on official Survey of India maps

■ Territorial claims: Some locations are in territory claimed by India but controlled by China

■ Exercise aims to standardise names, improve recognition: Govt

■ Move follows efforts by India, China to stabilise ties

Some of the locations are in territory claimed by India but controlled by China, making the move particularly sensitive as the two sides seek to stabilise ties after years of tensions over the border.

The cartographic move comes more than six years after a deadly border clash in Ladakh that killed 20 Indian and at least four Chinese soldiers in June 2020. India subsequently imposed additional curbs on Chinese investments following the confrontation.

Relations have since gradually stabilised. Prime Minister Narendra Modi and Chinese President Xi Jinping last month welcomed ‘steady progress’ in

bilateral ties and reiterated that differences should not become disputes. Modi also stressed that peace along the border remained essential to the broader relationship. Boundary negotiators have meanwhile agreed to pursue an “early and substantial harvest” of delimitation, according to an August statement.

In a similar exercise in August, India renamed 27 places and geographical features in Arunachal Pradesh, a northeastern region also claimed by China.

flydubai pilot tells PM: Did not want to let others die

PRESS TRUST OF INDIA
New Delhi, October 2

"I WAS FIGHTING for my life, but I was determined not to let others die," flydubai Captain Smit Machchhar told Prime Minister Narendra Modi on Friday while recounting the terrifying moments after being attacked by his co-pilot mid-air but still managing to save the aircraft. Modi spoke over the phone to the pilot, who is currently undergoing treatment at a hospital in the UAE.

Machchhar, who was stabbed and seriously injured by his co-pilot in the cockpit of flydubai flight FZ1073 while travelling from Dubai to Tel Aviv on Wednesday, gave a detailed account of the incident to the prime minister during the video call. Modi lauded the pilot's bravery, presence of mind and composure, and said Machchhar took a split-second decision that saved the lives of so many people.

Machchhar shared that whenever he faces difficulty, he recites the Hanuman Chalisa, a hymn devoted to Lord Hanu- man. "I was lying on the floor of the cockpit," he said. "I was fighting for my life, but I was determined not to let others die. It was such a crucial moment. There was a moment when I realised that if I could do something—because I was lying on the ground (in cockpit), I could feel that the aircraft was going down," he said.

Machchhar said he was repeatedly beaten and sustained multiple injuries, but he told himself that he had to get up and act. "At that time, I thought if I don't get up... I have been flying planes for 17 years, I have been a Captain for the last 11 years, and I know what is happening in an aircraft even with my eyes closed. When I was lying down below, I knew for a fact that if I could make one last push — the door was right there. Even while I was still taking blows, I could just open the door," he said.

Modi told Machchhar that Indians are not those who take lives, but those who are willing to risk their lives to save others. "At that time, you received so many injuries and were engaged in a fight of life and death. But you ignored your own safety and were concerned about the safety of the passengers. You have enhanced the honour of 140 crore Indians. I feel proud from the bottom of my heart," he said.

Modi also praised Machchhar for his bravery and presence of mind, saying that he had saved the lives of many people. He also mentioned that he had been flying planes for 17 years and had been a captain for 11 years.

India races to Asiad top-5 with six gold medals

AJAI MASAND & PHILEM DIPAK SINGH
Nagoya, October 2

THE WOMEN'S HOCKEY team's perseverance earned it a long-awaited gold as well as Olympic qualification, while boxers, archers and wrestler Sujet Kalkar also exceeded expectations as India surged into the Asian Games top-five with a brilliant six-gold haul on the penultimate day of competitions here on Friday.

India is now at the sole fifth position with 76 medals, including 16 gold, 25 silver and 35 bronze. India seems to be heading for a strong finish if the Friday show is any indication.

It was the end of a 44-year wait in women's hockey when India defeated defending champions China 1-0 in the final to secure the gold as well as a direct qualification to the 2028 Los Angeles Games.

Lalmremsiam's 10th minute strike was enough to close the day as brilliantly as it started when the women's recurve archery team clinched its maiden Asiad gold by shocking 10-time Olympic champions South Korea in the final.

The recurve trio of Ankita Bhakart, Kirti Sharma and 17-year-old Kumkum Mohod produced a composed performance under challenging conditions to stun the Koreans 5-3.

(Top) Indian women's hockey team celebrates its victory over China in the Asian Games final, and in the process, qualifying for the 2028 Los Angeles Olympics; Gold medallist Lovlina Borgohain poses after winning the women's 75kg boxing final at the 20th Asian Games, in Nishio, Aichi, Japan, on Friday

In between, Indian boxers were quite literally the 'Lords of the Ring' as Lovlina Borgohain (75kg), celebrating her 29th birthday, Parveen Hooda (65kg) and Ankush Panghal (80kg) outwitted higher-rated opponents to ensure three gold medals.

It was the best gold haul in Asiad boxing by India and easily be considered the among the best performances of all time by the country's boxing contingent.

Sujeet's detremation on the wrestling mat was exemplary as he took the men's 65kg category gold, defeating an Olympic champion en route to

the title and erasing a massive 2-9 deficit in the final.

Adding to the joy were the silver medals claimed by mixed and men's recurve archery teams and bronze medals from sailor Nethra Kumaran in women's dinghy and the men's quadrant team in sepak-takraw.

The late surge in the Games has bolstered India's overall campaign that had looked patchy due to the under-performance in disciplines such as shooting and badminton. The latter was particularly disappointing for failing to deliver beyond a men's team bronze this time.

India renames 28 Ladakh sites

SUDHI RANJAN SEN
October 2

INDIA RENAMED 28 places and geographical features in the northern territory of Ladakh, asserting its claims in a disputed region where the border with China has repeatedly strained ties between the Asian neighbours.

The locations — including peaks, mountains, glaciers, passes, valleys and land areas — were formally identified on official Survey of India maps, the home ministry said in a statement on Friday. The government said the exercise, carried out in consultation with the Ladakh administration, was aimed at standardising the names of the places and facilitating their accurate recognition and greater public awareness.

Some of the locations are in territory claimed by India but controlled by China, making the move particularly sensitive as the two sides seek to stabilise ties after years of tensions over the border.

The cartographic move comes more than six years after a deadly border clash in Ladakh that killed 20 Indian and at least four Chinese soldiers in June 2020. India subsequently imposed additional curbs on Chinese investments following the confrontation.

Relations have since gradually stabilised. Prime Minister Narendra Modi and Chinese President Xi Jinping last month welcomed "steady progress" in

Boundary negotiators have meanwhile agreed to pursue an "early and substantial harvest" of delimitation, according to an August statement.

In a similar exercise in August, India renamed 27 places and geographical features in Arunachal Pradesh, a northeastern region also claimed by China.

flydubai pilot tells PM: Did not want to let others die

PRESS TRUST OF INDIA
New Delhi, October 2

“I WAS FIGHTING for my life, but I was determined not to let others die,” flydubai Captain Smit Machchhar told Prime Minister Narendra Modi on Friday while recounting the terrifying moments after being attacked by his co-pilot mid-air but still managing to save the aircraft. Modi spoke over the phone to the pilot, who is currently undergoing treatment at a hospital in the UAE.

Machchhar, who was stabbed and seriously injured by his co-pilot in the cockpit of flydubai flight FZ1073 while travelling from Dubai to Tel Aviv on Wednesday, gave a detailed account of the incident to the prime minister during the video call. Modi lauded the pilot’s bravery, presence of mind and composure, and said Machchhar took a split-second decision that saved the lives of so many people.

Machchhar shared that whenever he faces difficulty, he recites the Hanuman Chalisa, a hymn devoted to Lord Hanuman. “I was lying on the floor (of the cockpit) injured. With whatever energy that was left with me, I managed to act properly and saved the plane,” the pilot said. “I was fighting for my life, but I was determined not to let others die. It was such a crucial moment. There was a moment when I realised that if I don’t do

something —because I was lying on the ground (in cockpit), I could feel that the aircraft was going down,” he said.

Machchhar said he was repeatedly beaten and sustained multiple injuries, but he told himself that he had to get up and act. “At that time, I thought if I don’t get up... I have been flying planes for 17 years, I have been a Captain for the last 11 years, and I know what is happening in an aircraft even with my eyes closed. When I was lying down below, I knew for a fact that if I could make one last push — the

door was right there. Even while I was still taking blows, I could just open the door,” he said.

Modi told Machchhar that the country can proudly say that Indians are not those who take lives, but those who are willing to risk their lives to save others.

“At that time, you received so many injuries and were engaged in a fight of life and death. But you ignored your own safety and were concerned about the safety of the passengers. You have enhanced the honour of 140 crore Indians. I feel proud from the bottom of my heart,” he said.

India races to Asiad top-5 with six gold medals

AJAI MASAND & PHILEM DIPAK SINGH
Nagoya, October 2

THE WOMEN’S HOCKEY team’s perseverance earned it a long-awaited gold as well as Olympic qualification, while boxers, archers and wrestler Sujet Kalkal also exceeded expectations as India surged into the Asian Games top-five with a brilliant six-gold haul on the penultimate day of competitions here on Friday.

India is now at the sole fifth position with 76 medals, including 16 gold, 25 silver and 35 bronze. India seems to be heading for a strong finish if the Friday show is any indication.

It was the end of a 44-year wait in women’s hockey when India defeated defending champions China 1-0 in the final to secure the gold as well as a direct qualification to the 2028 Los Angeles Games.

Lalmremsiami’s 10th minute strike was enough to close the day as brilliantly as it started when the women’s recurve archery team clinched its maiden Asiad gold by shocking 10-time Olympic champions South Korea in the final.

The recurve trio of Ankita Bhakat, Kirti Sharma and 17-year-old Kunkum Mohod produced a composed performance under challenging conditions to stun the Koreans 5-3.

(Top) Indian women’s hockey team celebrates its victory over China in the Asian Games final, and in the process, qualifying for the 2028 Los Angeles Olympics; Gold medalist Lovlina Borgohain poses after winning the women’s 75kg boxing final at the 20th Asian Games, in Nishio, Aichi, Japan, on Friday

In between, Indian boxers were quite literally the ‘Lords of the Ring’ as Lovlina Borgohain (75kg), celebrating her 29th birthday, Parveen Hooda (65kg) and Ankush Panghal (80kg) outwitted higher-rated opponents to ensure three gold medals.

It was the best gold haul in Asiad boxing by India and can easily be considered the among the best performances of all time by the country’s boxing contingent.

Sujet’s detremination on the wrestling mat was exemplary as he took the men’s 65kg category gold, defeating an Olympic champion en route to

the title and erasing a massive 2-9 deficit in the final.

Adding to the joy were the silver medals claimed by mixed and men’s recurve archery teams and bronze medals from sailor Nethra Kumanan in women’s dinghy and the men’s quadrant team in sepak-takraw.

The late surge in the Games has bolstered India’s overall campaign that had looked patchy due to the under-performance in disciplines such as shooting and badminton. The latter was particularly disappointing for failing to deliver beyond a men’s team bronze this time.

India renames 28 Ladakh sites

INDIA RENAMED 28 places and geographical features in the northern territory of Ladakh, asserting its claims in a disputed region where the border with China has repeatedly strained ties between the Asian neighbours.

The locations — including peaks, mountains, glaciers, passes, valleys and land areas — were formally identified on official Survey of India maps, the home ministry said in a statement on Friday. The government said the exercise, carried out in consultation with the Ladakh administration, was aimed at standardising the names of the places and facilitating their accurate recognition and greater public awareness.

Some of the locations are in territory claimed by India but controlled by China, making the move particularly sensitive as the two sides seek to stabilise ties after years of tensions over the border.

The cartographic move comes more than six years after a deadly border clash in Ladakh that killed 20 Indian and at least four Chinese soldiers in June 2020. India subsequently imposed additional curbs on Chinese investments following the confrontation.

Relations have since gradually stabilised. Prime Minister Narendra Modi and Chinese President Xi Jinping last month welcomed “steady progress” in

flydubai pilot tells PM: Did not want to let others die

PRESS TRUST OF INDIA New Delhi, October 2

"I WAS FIGHTING for my life, but I was determined not to let others die," flydubai Captain Smit Machchhar told Prime Minister Narendra Modi on Friday while recounting the terrifying moments after being attacked by his co-pilot mid-air but still managing to save the aircraft. Modi spoke over the phone to the pilot, who is currently undergoing treatment at a hospital in the UAE.

Machchhar, who was stabbed and seriously injured by his co-pilot in the cockpit of flydubai flight FZ1073 while travelling from Dubai to Tel Aviv on Wednesday, gave a detailed account of the incident to the prime minister during the video call. Modi lauded the pilot's bravery, presence of mind and composure, and said Machchhar took a split-second decision that saved the lives of so many people.

Machchhar shared that whenever he faces difficulty, he recites the Hanuman Chalisa, a hymn devoted to Lord Hanuman. "I was lying on the floor (of the cockpit) injured. With whatever energy that was left with me, I managed to act properly and saved the plane," the pilot said. "I was fighting for my life, but I was determined not to let others die. It was such a crucial moment. There was a moment when I realised that if I don't do

SMIT MACHCHHAR, CAPTAIN, FLYDUBAI Because I was lying on the ground (in cockpit), I could feel that the aircraft was going down

NARENDRA MODI, PRIME MINISTER You have enhanced the honour of 140 crore Indians. I feel proud from the bottom of my heart

something—because I was lying on the ground (in cockpit), I could feel that the aircraft was going down," he said.

Machchhar said he was repeatedly beaten and sustained multiple injuries, but he told himself that he had to get up and act. "At that time, I thought if I don't get up... I have been flying planes for 17 years, I have been a Captain for the last 11 years, and I know what is happening in an aircraft even with my eyes closed. When I was lying down below, I knew for a fact that if I could make one last push—the

door was right there. Even while I was still taking blows, I could just open the door," he said.

Modi told Machchhar that Indians are not those who take lives, but those who are willing to risk their lives to save others.

"At that time, you received so many injuries and were engaged in a fight of life and death. But you ignored your own safety and were concerned about the safety of the passengers. You have enhanced the honour of 140 crore Indians. I feel proud from the bottom of my heart," he said.
