INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF
SANSERA ENGINEERING LIMITED

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **SANSERA ENGINEERING LIMITED** ("the Company"), for the quarter and six months ended September 30, 2026 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

NOTES TO THE STANDALONE UNAUDITED FINANCIAL RESULTS FOR THE QUARTER AND SIX MONTHS ENDED 30 SEPTEMBER 2026

1 The standalone unaudited financial results of Sansera Engineering Limited (the "Company") for the quarter and six months ended 30 September 2026 have been prepared in accordance with Ind AS 34 "Interim Financial Reporting" notified under Section 133 of the Companies Act, 2013 and Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

2 The above standalone unaudited financial results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 5 November 2026. The statutory auditors have carried out a limited review of the standalone results for the quarter and six months ended 30 September 2026 and have issued an unmodified review report.

3 Based on the guiding principles given in Ind AS 108 'Operating Segments', the Company's business activities fall within a single operating segment, namely manufacturing of precision-engineered components.

4(a) During the three months ended 30 June 2026, the Company entered into a Settlement Agreement with one of its Customers, without any admission of liability by the Company, to settle an ongoing civil suit filed by the customer against the Company, pending before the United States District Court for the District of South Carolina, Charleston Division ("Lawsuit"). Under the terms of the Settlement Agreement, the Company agreed to pay an amount of US$ 2 million (equivalent to ₹189.33 million) to the Customer in full and final settlement of the Lawsuit and the said amount was paid by the Company on 28 July 2026. The Company had provided ₹20 million in the earlier years and the balance of ₹169.33 million has been expensed off in the Standalone Statement of Profit and Loss and presented as "Exceptional items" for the three months ended 30 June 2026 and six months ended 30 September 2026.

4(b) On 21 November 2025, the Government of India notified the provisions of The Code on Wages, 2019, The Industrial Relations Code, 2020, The Code on Social Security, 2020 and The Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the "Labour Codes"), which consolidate twenty-nine existing labour laws into a unified framework governing employee benefits during and after employment.

The Labour Codes, inter alia, introduce a uniform definition of wages and enhanced employee benefits, including changes relating to leave and gratuity. The Company had assessed the financial impact of these changes, resulting in an increase in gratuity liability due to past service cost and an increase in leave liability aggregating to ₹162.36 million. Considering the impact is arising out of an enactment of the new legislation and is non-recurring in nature, the Company had presented this amount under "Exceptional items" for year ended 31 March 2026.

The Company continues to monitor developments relating to The Labour Codes and will evaluate further impact, if any, on the measurement of employee benefit liabilities.

5 During the previous year, the Company incurred additional U.S. import duty tariffs on products supplied to certain customers in the United States, which remained recoverable as at 31 March 2026. During the three months ended 30 June 2026, based on the assessment of the associated recovery risk, the Company made a provision of ₹126.11 million towards such tariff costs. The Company continues its efforts to recover the amounts paid.

6 The Board of Directors of the Company, in their meeting held on 29 January 2026, had approved investment of ₹500.00 million in Nichidai Sansera Private Limited, a Company incorporated during the year ended 31 March 2026 as a joint venture with Nichidai Corporation, Japan. During the six months ended 30 September 2026, the Company has invested ₹300.12 million in 30,012,000 Equity Shares of ₹10 each representing 60% holding.

7 The final dividend of Rs.4 per equity share (face value ₹2) for FY 2025-26 recommended by the Board on 21 May 2026 was approved by the shareholders at the Annual General Meeting held on 24 September 2026 and paid on 1 October 2026.

8 The Standalone Statement of Assets and Liabilities as at 30 September 2026 and the Standalone Statement of Cash Flows for the six months ended 30 September 2026 are provided as Annexure-A and Annexure-B to this Statement.

9 The investors can visit the Company's website www.sansera.in for updated information.

INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM CONSOLIDATED FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF SANSERA ENGINEERING LIMITED

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **SANSERA ENGINEERING LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of net loss after tax and other comprehensive income of its associate and joint venture for the quarter and six months ended September 30, 2026 ("the Statement") being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

   a) Sansera Engineering Limited, the Parent
   b) Fitwel Tools and Forgings Private Limited, a subsidiary
   c) Sansera Engineering Pvt. Ltd., Mauritius, a wholly owned subsidiary
   d) Sansera Sweden AB, a wholly owned subsidiary of (c) above
   e) MMRFIC Technology Private Limited, an associate; and
   f) Nichidai Sansera Private Limited, a Joint venture

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. NOTES TO THE CONSOLIDATED UNAUDITED FINANCIAL RESULTS FOR THE QUARTER AND SIX MONTHS ENDED 30 SEPTEMBER 2026

1 The consolidated unaudited financial results of Sansera Engineering Limited (the "Company" or "Parent Company"), its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), associate and joint venture for the quarter and six months ended 30 September 2026 have been prepared in accordance with Ind AS 34 "Interim Financial Reporting" notified under Section 133 of the Companies Act, 2013 and Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

2 The above consolidated results of the Group were reviewed by the Audit Committee and approved by the Board of Directors of the Parent Company at their meetings held on November 5, 2026 and November 5, 2026 respectively. The statutory auditors have carried out a limited review of the results for the quarter and six months ended 30 September 2026 and have issued an unmodified review report.

3 Based on the guiding principles given in Ind AS 108 'Operating Segments', the Group's business activities fall within a single operating segment, namely manufacturing of precision-engineered components.

4(a) During the three months ended 30 June 2026, the Parent Company entered into a Settlement Agreement with one of its Customers, without any admission of liability by the Parent Company, to settle an ongoing civil suit filed by the Customer against the Parent Company, pending before the United States District Court for the District of South Carolina, Charleston Division ("Lawsuit"). Under the terms of the Settlement Agreement, the Parent Company agreed to pay an amount of US$ 2 million (equivalent to ₹189.33 million) to the Customer in full and final settlement of the Lawsuit and the said amount was paid by the Parent Company on 28 July 2026. The Parent Company had provided ₹20 million in the earlier years and the balance of ₹169.33 million has been expensed off in the Consolidated Statement of Profit and Loss and presented as "Exceptional items" for the three months ended 30 June 2026 and six months ended 30 September 2026.

4(b) On 21 November 2025, the Government of India notified the provisions of The Code on Wages, 2019, The Industrial Relations Code, 2020, The Code on Social Security, 2020 and The Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the "Labour Codes"), which consolidate twenty-nine existing labour laws into a unified framework governing employee benefits during and after employment.

The Labour Codes, inter alia, introduce a uniform definition of wages and enhanced employee benefits, including changes relating to leave and gratuity. The Company had assessed the financial impact of these changes, resulting in an increase in gratuity liability due to past service cost and an increase in leave liability aggregating to ₹157.57 million. Considering the impact is arising out of an enactment of the new legislation and is non-recurring in nature, the Company had presented this amount under "Exceptional items" for year ended 31 March 2026.

The Company continues to monitor developments relating to The Labour Codes and will evaluate further impact, if any, on the measurement of employee benefit liabilities.

5 During the previous year, the Parent Company incurred additional U.S. import duty tariffs on products supplied to certain customers in the United States, which remained recoverable as at March 31, 2026. During the three months ended 30 June 2026, based on the assessment of the associated recovery risk, the Parent Company has made a provision of ₹126.11 million towards such tariff costs. The Company continues its efforts to recover the amounts paid.

6 The Board of Directors of the Parent Company, in their meeting held on 29 January 2026, had approved investment of ₹500.00 million in Nichidai Sansera Private Limited, a Company incorporated during the year ended 31 March 2026 as a joint venture with Nichidai Corporation, Japan. During the six months ended 30 September 2026, the Company has invested ₹300.12 million in 30,012,000 Equity Shares of ₹10 each representing 60% holding.

7 The final dividend of Rs.4 per equity share (face value ₹2) for FY 2025-26 recommended by the Board of the Parent Company on 21 May 2026 was approved by the shareholders at the Annual General Meeting held on 24 September 2026 and paid on October 1 2026.

8 The Consolidated Statement of Assets and Liabilities as at 30 September 2026 and the Consolidated Statement of Cash Flows for the six months ended 30 September 2026 are provided as Annexure-A and Annexure-B to this Statement.
