(6) The corporate insolvency resolution process shall commence from the date of admission of the application under sub-section (5) of this section.

13. We have heard the submissions of the learned counsel for both the parties and perused the pleadings of both sides and material available on record. It is an undisputed fact in the present matter that the Corporate Debtor has admitted its debts liability and only sought time for making payment in instalments. Therefore, by placing reliance on the decision of the Honourable Supreme Court in ***M/s. Innoventive Industries Ltd. vs. ICICI Bank & Anr. [Civil Appeal Nos. 8337-8338 of 2017]***, the present IB Petition deserves admission because the Honourable Supreme Court in the aforesaid decision has ruled such that **if the Adjudicating Authority is satisfied that**

there is a debt and default has been occurred, then the Adjudicating Authority is bound to admit the Application.

For the sake of convenience, the relevant portion of the aforesaid Judgment of the Hon'ble Supreme Court is being reproduced hereinbelow:

> *"27. The scheme of the Code is to ensure that when a default takes place, in the sense that a debt becomes due and is not paid, the insolvency resolution process begins. Default is defined in Section 3(12) in very wide terms* ***as meaning non-payment of a debt once it becomes due and payable, which includes non-payment of even part thereof or an instalment amount****. For the meaning of "debt", we have to go to Section 3(11), which in turn tells us that a debt means a liability of obligation in respect of a "claim" and for the meaning of "claim", we have to go back to Section 3(6) which defines "claim" to mean a right to payment even if it is disputed. The Code gets triggered the moment default is of rupees one lakh or more (Section 4). The corporate insolvency resolution process may be triggered by the corporate debtor itself or a financial creditor or operational creditor. A distinction is made by the Code between debts owed to financial creditors and operational creditors. A financial creditor has been defined under Section 5(7) as a person to whom a financial debt is owed and a financial debt is defined in Section 5(8) to mean a debt which is disbursed against consideration for the time value of money. As opposed to this, an operational creditor means a person to whom an operational debt is owed and an operational debt under Section 5 (21) means a claim in respect of provision of goods or services.*
>
> *28. When it comes to a financial creditor triggering the process, Section 7 becomes relevant. Under the explanation to Section 7(1), a default is in respect of a financial debt owed to any financial creditor of the corporate debtor – it need not be a debt owed to the applicant financial creditor. Under Section 7(2), an application is to be made under sub-section (1) in such form and manner as is prescribed, which takes us to the Insolvency and Bankruptcy (Application to Adjudicating Authority) Rules, 2016. Under Rule 4, the application is made by a financial creditor in Form 1 accompanied by documents and records required therein. Form 1 is a detailed form in 5 parts, which requires particulars of the applicant in Part I, particulars of the corporate debtor in Part II, particulars of the proposed interim resolution professional in part III, particulars of the financial debt in part IV and documents, records and*

evidence of default in part V. Under Rule 4(3), the applicant is to dispatch a copy of the application filed with the adjudicating authority by registered post or speed post to the registered office of the corporate debtor. The speed, within which the adjudicating authority is to ascertain the existence of a default from the records of the information utility or on the basis of evidence furnished by the financial creditor, is important. This it must do within 14 days of the receipt of the application. ***It is at the stage of Section 7(5), where the adjudicating authority is to be satisfied that a default has occurred****, that the corporate debtor is entitled to point out that a default has not occurred in the sense that the "debt", which may also include* ***a disputed claim, is not due. A debt may not be due if it is not payable in law or in fact. The moment the adjudicating authority is satisfied that a default has occurred, the application must be admitted unless it is incomplete****, in which case it may give notice to the applicant to rectify the defect within 7 days of receipt of a notice from the adjudicating authority. Under subsection (7), the adjudicating authority shall then communicate the order passed to the financial creditor and corporate debtor within 7 days of admission or rejection of such application, as the case may be"*

14. On perusal of the record, the present IB Petition is filed well within limitation and is maintainable and it is found complete as per the provisions of the I & B Code.

15. Therefore, this Adjudicating Authority hereby admits the IB Petition filed under **Section 9** of the Insolvency and Bankruptcy Code, 2016, for initiation of Corporate Insolvency Resolution Process, in respect of the Corporate Debtor. Further this Adjudicating Authority declares moratorium under Section 14 of the Code, with following orders and directions:

Market logs 5th straight gains on economic recovery hopes

MUMBAI, June 2 (PTI)

BENCHMARK indices continued their winning run for the fifth straight session on Tuesday as staggered opening of the economy and the prime minister assuring of more support to the industry restored investor confidence. Shrugging off ratings downgrade by Moody's, the 30-share BSE Sensex soared 522.01 points or 1.57 per cent to settle at 33,825.53.

Likewise, the NSE Nifty jumped 152.95 points or 1.56 per cent to 9,979.10. Indian stocks also tracked positive Asian peers to strengthen gains.

Analysts, however, said lingering US-China tensions and protests in America remained a concern going ahead. On the Sensex chart, Bajaj Finance was the top gainer, soaring over 8 per cent, followed by Kotak Bank, IndusInd Bank, HDFC, PowerGrid, Axis Bank, ICICI Bank and L&T. On the other hand, Maruti, ITC, NTPC, Nestle India, Hero Motocorp and Bharti airtel ended as losers on the 30-share index. Sectorally, BSE realty was the top gainer, rallying 4.57 per cent, followed by bankex, finance, consumer durables, utilities and industrials indices. While FMCG was the sole loser. Broader mid-cap and smallcap surged up to 1.83 per cent.

A day after Moody's downgraded India's credit rating to a notch above junk status on growth concerns, Prime Minister Narendra Modi asserted that the country will definitely get back its economic growth and said reforms undertaken during the lockdown will help the economy in the long-run. "Indian markets shrugged off news regarding Moody's credit rating downgrade, which was trumped by the expectation of the economy opening up. The government has again reiterated its commitment to continued reforms to strengthen the economy," Vinod Nair, Head of Research at Geojit Financial Services, said. In spite of many possible negative triggers, positive sentiment still drives the markets and would advise to stick to quality stocks, he added.

The parent of the country's largest airline IndiGo had a profit after tax of Rs 595.8 crore in the year-ago period. FIFA SIGNALS SUPPORT FOR IN-GAME FLOYD SOLIDARITY MESSAGES

Liverpool players took a knee around the centre circle at Anfield Stadium in a gesture of support following the death of George Floyd. (Twitter)

UNDATED

FIFA urged soccer competition organisers to apply "common sense" and consider not sanctioning players for solidarity with George Floyd during matches.

The recognition of the "depth of sentiment" over Floyd's death came in a rare statement by FIFA telling the global game to show flexibility and not enforce laws of soccer it helps to set.

Players used weekend games in Germany to reveal messages demanding justice for Floyd, a handcuffed black man who died after he pleaded for air as a white police officer pressed a knee on his neck in Minneapolis.

Germany's soccer federation announced earlier Monday that it was assessing whether to sanction the players for breaking laws of the game that prohibit "any political, religious or personal slogans, statements or images" on equipment. "FIFA fully understands the depth of sentiment and concerns expressed by many footballers in light of the tragic circumstances of the George Floyd case," the governing body said in a statement. "The application of the laws of the game approved by the IFAB is left for the competitions' organisers, which should use common sense and have in consideration the context surrounding the events."

England winger Jadon Sancho was booked while playing for Borussia Dortmund on Sunday for removing his jersey — a yellow-card offense — only so he could reveal a T-shirt with a "Justice for George Floyd" message.

In the Bundesliga on Saturday, American midfielder Weston McKennie wore an armband over his Schalke jersey with the hand-written message "Justice for George."

LIVERPOOL STARS TAKE A KNEE IN GESTURE OF SUPPORT FOR FLOYD: Liverpool players took a knee around the centre circle at Anfield Stadium on Monday in a gesture of support following the death of George Floyd. Squad members posted a picture of the act on their social media accounts with the caption, "Unity is strength #BlackLivesMatter." The picture of 29 players from the English league leaders was taken during a training session.

In England, Manchester United and England striker Marcus Rashford, who is black, also posted a message on Twitter, saying "people are hurting and people need answers," "Black lives matter. Black culture matters. Black communities matter. We matter," Rashford wrote, before adding #justiceforgeorgefloyd. Rashford's United team-mate, Paul Pogba, sent a post on his Instagram account, saying he felt "anger, pity, hatred, indignation, pain, sadness" about what happened to Floyd.

BOXER FLOYD MAYWEATHER TO PAY FOR FLOYD'S FUNERAL: Former boxing champion Floyd Mayweather has offered to pay for George Floyd's funeral and memorial services, and the family has accepted the offer. Mayweather personally has been in touch with the family, according to Leonard Ellerbe, the CEO of Mayweather Promotions. *(Agencies)*

DARREN SAMMY: "@ICC and all the other boards are you guys not seeing what's happening to ppl like me? Are you not gonna speak against the social injustice against my kind?" he asked.

"This is not only about America. This happens everyday #BlackLivesMatter now is not the time to be silent. I wanna hear u," Sammy said.

KUMAR SANGAKKARA: "We the people, the ordinary citizen, can together achieve extraordinary change for the better, to set in place a world culture of openness, respect and understanding," he said in a series of tweets.

विदेशों में इस्पात निर्यात की संभावनाएं बढ़ीं

सेल के अध्यक्ष अनिल कुमार चौधरी ने कहा

नई दिल्ली। सरकारी क्षेत्र की कंपनी स्टील अथॉरिटी आफ इंडिया सेल के अध्यक्ष अनिल कुमार चौधरी ने कहा है कि कोरोना महामारी ने हमारे लिए अवसर के नए द्वार खोल दिए हैं तथा चीन और कई अन्य देशों को इस्पात निर्यात की न केवल संभावनाएं बढ़ी हैं बल्कि आर्डर मिलने भी शुरू हो गए हैं।

श्री चौधरी ने कोरोना महामारी की चुनौती और अवसर के बारे में कहा कि इस संक्रमण ने चीन, दक्षिण पूर्वी एशियाई देशों तथा अफ्रीकी देशों को इस्पात निर्यात की संभावनाएं बढ़ी हैं तथा आर्डर आने भी शुरू हो गए हैं। उन्होंने कहा, किसे पता था कि कोविड-19 महामारी से जूझ रहे चीन में अचानक स्टील की मांग में इतनी तेजी आ जाएगी कि हम उसे इस्पात निर्यात करेंगे। दक्षिण पूर्वी एशियाई देशों और अफ्रीका से भी काफी मांग आ रही है। इन देशों से हमने मई महीने तक पांच लाख टन से अधिक के निर्यात का आर्डर बुक किया है और मई के अंत तक करीब दो लाख टन आर्डर की सप्लाई भी पूरी की जा चुकी है।

मांग में हो रही बढ़ोतरी

श्री चौधरी ने कहा कि लॉकडाउन के शुरुआती दिनों में मांग में आई गिरावट के बाद, अब उसमें बढ़ोतरी के संकेत मिलने लगे हैं। दूसरे देशों से भी इस्पात की मांग आ रही है और घरेलू बाजार भी खुलना शुरू हो चुका है। इससे तैयार इस्पात की मांग में बढ़ोतरी होने लगी है। हमें पूरा विश्वास है कि इस माह में पिछले वर्ष की इसी अवधि के मुकाबले 80 फीसदी विक्रय करने लगेंगे। सरकार की तरफ से घोषित आर्थिक पैकेज का भी व्यापक असर दिखाई पड़ने लगा है और देश में जल्द ही स्टील की मांग बढ़ेगी। हमारी कोशिश है कि सरकारी क्षेत्र की एक बड़ी कंपनी होने के नाते हम सकारात्मक सोच बनाये रखें और नए माहौल में स्टील की बड़ी मांग आने पर उसे पूरा करने के लिए एकदम तैयार रहें।
